mysterious happening in each story I dont mean this is a mystery book but instead as you read it I believe you will be aware of what I call the mysterious spiritual message God has put in this book especially for you That message seems to be written between the lines of what I wrote My words and thoughts are simply my honest attempt to explain to you by way of many examples and stories about my life the hundreds of ways God wants to help us have interesting and enjoyable lives In addition he does his best to help us find answers to lifes constant questions about faith children the Bible fellowship missions money prayer and self worth So if you want to find ways to change your attitude about your life find ways to have more fun and what I call a blast or a party for the rest of your life you need to read this book soon Sincerely Terrance L Weber
