

Monologue

People think dreams aren't real just because they aren't made of matter, of particles. Dreams are real but they are made of images, memories, puns, and lost hopes. Dreams do not exist within the realm of hours or minutes or any measure of the day (sigh). I am Sandman, the Guardian of your Dreams and your dream-maker. In the night is where I am alive, and in the morning, I die. I lived in the space between the tick and the tock, before the tolling of the bell, past the dawn, and beyond the velvet night. I put every person in the world to sleep, (sprinkle a magical sand woosh) using my magical sand, I gave them beautiful dreams to occupy their night. Darkness is my home. Under the gloomy evening, I danced happily as I go to every house, excited to make children's dreams magical. I am the Guardian of your Dreams, I gave you beautiful dreams and prevents you from a devastating nightmare. I am good, not evil. In the night, you'll find yourself riding a carriage feeling like a princess and living in a mansion or find yourself as one of the Avengers saving the universe-I am responsible for that. However, in my bad form, I am called an interpretation of the Boogeyman or Nightmare Weaver. Instead of a beautiful dream, a nightmare will seep through you. Still, the echoes of those nightmares seep into creation, infecting others with my demented fantasies. My nightmares roil across the Earth like a storm, raining down deranged hallucinations that cross the boundaries between illusion and reality, eroding the value of the walls between sleep and wakefulness, sanity and madness. The moment every man, woman, and child climbs onto their beds, rests their heads on a pillow and closes their eyes before drifting into sleep for the night, something evil begins to stir. When you would normally expect to find yourself riding a unicorn in a colorful land made out of chocolates and pastries, or being a princess living in a magical palace, instead you'll find yourself in a dark, horrifying travesty of a dream that specifically seeks to drag you into a pit of misery. You'll find yourself in a haunted house lurked by creepy dolls with knives, drowning in a lake of thick, black oil as the ghost grabs you. Behold, as I am your biggest nightmare! (evil laugh HAHHAH)
