Can You Be a Catholic and a Feminist? Julie Hanlon Rubio,2024-03-15 Is it possible to reconcile Catholic and feminist identities Julie Hanlon Rubio argues that it is but only if we rethink how women and men who experience the pull of feminism and Catholicism can credibly claim both identities

Woman as Prophet in the Home and the World R. Mary Hayden Lemmons,2016-09-15 This first ever interdisciplinary study of woman as prophet shows that in these troubling times ordinary women especially Christian women need to function as prophets by proclaiming in word and deed the indispensability of lovingly seeking the welfare of others More specifically social science shows that the person centered love prophesied by women prophets is able to meet interpersonal challenges within the home and world while philosophy and theology establish that women are able to excel as prophets due to the virtuous dispositions inculcated by femininity the choice to be caring a God centered spirituality and a pro life humanitarian personalist feminism that welcomes male collaborators Facilitating the ability of Christian women to prophesy love are Baptismal graces Thomistic virtues and a much needed prophetic Marian ecclesiology based on what John Paul II calls the prophetism of femininity These interdisciplinary findings provide an essential resource for educators and students of humanity the theology of women and evangelization These findings emerge first from an investigation into the cognitive and ontological underpinnings of what John Paul II called the feminine genius A second set of findings emerges from exploring the prophetic dimensions of the feminine genius secular feminism s need to adopt the insights of Christianity and the ability of femininity s prophetism to recast both femininity and feminism as Marian prophecies A third set of findings arises from analyzing the spirituality of women prophets within the Christian tradition by considering the conditions necessary for prophesying explicating requisite Thomistic virtues and delving into the spirituality of Hildegard Catherine of Siena Julian of Norwich and Teresa of Avila A fourth set of findings arises from innovative studies of polarization secularization lust romantic love the conditions whereby mothers with careers can flourish and the ability of nuns to combat racism in a small Midwestern town Overall these interdisciplinary investigations explicate the theology of women and show that women who prophesy love either in the order of grace or nature can help heal lives families and culture

Paul VI's genius proved prophetic: he had the courage to stand against the majority to defend moral discipline, to exercise a brake on the culture, to oppose present and future neo-Malthusianism. Pope Francis: Of all the paradoxical fallout from the Pill, perhaps the least understood today is this: the most unfashionable, unwanted, and ubiquitously deplored moral teaching on earth is also the most thoroughly vindicated by the accumulation of secular, empirical, post-revolutionary fact. The document in question is, of course, *Humanae vitae*. Mary Eberstadt: Author of *Adam and Eve after the Pill*. After half a century, how has the teaching of Pope Paul VI on marriage and birth control presented in his encyclical *Humanae vitae* held up? Very well, says philosopher Janet Smith, and her colleagues in *Why Humanae Vitae Is Still Right*. A sequel to Smith's classic *Why Humanae Vitae Was Right*, this new volume shows how the ethical, theological, spiritual, and sociological case for Paul VI's controversial document remains strong, indeed, how it's in some ways even stronger today, following Pope John Paul II's *Theology of the Body* and in light of the problems caused by the sexual revolution. In addition to essays by Dr. Smith herself, the book features contributions by other renowned experts and scholars such as Mary Eberstadt, author of the best-selling *Adam and Eve after the Pill*; George Weigel; Therese Scarpelli; Corey Michael Waldstein; Christopher West; Obianuju Ekeocha, author of the best-selling *Target Africa*; Maria Fedoryka; Deborah Savage; Derek Doroski; Angela LaFranchi; William Newton; Joseph Atkinson; Michele M. Schumacher; and Peter Colosi. *Why Humanae Vitae Is Still Right* includes the Krakow Document, composed under the supervision of Cardinal Karol Wojtyla, later Pope John Paul II, which provided research by moral theologians and other experts that helped to shape *Humanae vitae* to be a more personalistic document. **Promise and Challenge** Mary Rice Hasson, Editor, 2015-04-02. The Church cannot be understood without women. Pope Francis, July 28, 2013. In the new book *Promise and Challenge*, ten diverse Catholic women theologians, philosophers, attorneys, and an economist answer Pope Francis' call to address the deeper questions about the meaning of womanhood and the role of women in the Church. Based on their presentations at the 2014 Symposium on Women in the Church, these women help move the conversation forward through their intriguing insights and analysis of established teachings and traditions, combined with original scholarship and new ideas. Through their personal experience, spiritual depth, and professional expertise, you'll examine threshold issues and important context to expand the role of women in the Church. Several important aspects of complementarity that require further theological development, theologically practical issues related to the place of women in the church, the promise and challenge of the future. With insight, clarity, and great love for the Church, these women touch on both the challenges of today and the promise of tomorrow.

Hertzke, Laura R. Trinity Rather than simply a defense of marriage this book presents the good news about sacramental marriage Cardinal Donald Wuerl uses his years of pastoral experience and his gift of teaching to give hope and courage to both engaged couples and those married for many years and to anyone thinking about the meaning or vocation of marriage Features short vignettes written by married couples living out their vocation in the good and hard times Useful for marriage preparation or for any Catholic confused about the debates on marriage going on today
