A Digital Pen Mark Sias, 2023-01-31 The digital world is here It has arrived While most of the world is up to speed the real estate and legal services Industries have been behind the curve as have the governing laws as well Alas with the outbreak of Covid 19 remote online notarization has finally become mainstream This new advent should have opened the door for unlimited income possibilities for notaries but it didn't Big box SAAS companies emerged seeking to dominate the industry with business models that really only benefit them usually not the notaries using the platforms What is more many of the platforms available are clunky and awkward While there are too many to mention following this formula it begs the question Can the everyday remote online notary still make untold fortunes right from home by leveraging the internet and serving clientele all across the country You may be surprised to hear this but the answer is definitely yes As of this writing remote online notarization is now available in 40 States and Counting RON isn't going anywhere but it will take some effort knowledge and execution of a few sound principles to be able to make the most of this new opportunity for notary publics In this book we will go through the getting started the process We will discuss any equipment you may need like PC and internet speeds needed We will show you how to deal with some of the common nuisances as they related to RON platforms and online notarization in general We will divulge our favorite least favorite platforms that we use We will tell you about vendors actively looking to utilize remote online notaries Perhaps most importantly we will show you the simple yet effective strategies we've used to consistently get regular repeat clientele With the right moves and set up you can make more money in a couple of hours than most people do in an 8 hour work day leveraging your digital pen and seal

Instant Inspiration for Copywriters R. Frothingham, 2020-04-16 This book will make you a better copywriter Instant Inspiration for Copywriters may be the only instant results book I've ever read that delivers what is promised in the title practical real world tips and advice more than 500 pearls of wisdom in all that both inspires and teaches you to write the strongest copy you can Bob Bly author The Copywriter's Handbook I would urge everyone who writes copy to get this book Some of the quotes are stunning

stuff you've never heard and they'll expand your mind. But the reason I think you need to get it is all the reminders from top names in the business of what sometimes you forget to do that costs you money. David Garfinkel, author *Breakthrough Copywriting*. Scott has created an absorbing collection of tips, ideas, and opinions about every aspect of copywriting. You'll find time-honored wisdom from David Ogilvy and Rosser Reeves alongside insights from today's master practitioners like Joanna Wiebe and Ann Handley. Dip into it whenever you need a helping hand or a new direction; it won't let you down. Tom Albrighton, author *Copywriting Made Simple*. Einstein said, "Example isn't another way to teach; it is the only way to teach." Yet depressingly few copywriters study what the best writers said about writing. Here is pithy, wise advice not just from people I knew (Gene Schwartz, David Ogilvy, Joe Sugarman, for instance) but from good writers of all kinds (Nathaniel Hawthorne, Elmore Leonard, Jeanette Winterson, Maya Angelou, Ernest Hemingway, John Steinbeck). This is your short-cut to better writing. Not just copywriting, ANY writing. Drayton Bird, author *Commonsense Direct Digital Marketing*. There are only a few copywriting books I would consider to be keepers. This is one of them. What makes this book great is it gives you an instant dose of inspiration whenever needed. And we copywriters tend to need that often. Steve Slaunwhite, author *The Everything Guide To Writing Copy*. What are you waiting for? Click the orange Buy Now button.

Breakthrough Copywriter: A Field Guide to Eugene M. Schwartz Advertising Genius Dr. Robert C. Worstell, 2017-06-09. There was one copywriter who made millionaires from people who read his book, although they never wrote an ad. Eugene Schwartz wrote a classic on copywriting that is probably one of the most powerful and profitable books on copywriting and marketing ever written. That book has been kept available only as a rare hardback gift edition. Generations of copywriters haven't had access to this material. And the world would be a poorer place except. Fortunately, Schwartz was also prolific as a speaker. So we are able to bring notes of his lectures and a review of his classic text to life again. You can learn how to create ads which sell your products at the expense of your competition. Find which roles your customer really wants to play and align these to your product. Discover how to get a product to sell no matter how people have already heard about it or how many products like it are already out there. Learn how to control your audience by being their friend.
