Olson, 2012-07-04 *Of Time and Place* is a legacy from one of the best loved woodsman writers of our time To the outdoorsmen who often canoed and portaged with him through the northern Lake country Sigurd Olson was affectionately known as the Bourgeois the name that voyageurs gave two hundred years ago to the trusted guides who took them over this same territory And in this his last book completed just before his death in early 1982 Olson is our guide through his wide ranging memories of a lifetime dedicated to the preservation of the wilderness especially of his beloved Quetico Superior country He recalls his many friendships of trail and woods and portage his favorite campsites the stories behind the artifacts and mementos hanging in his cabin at *Listening Point* He muses on the fragile beauty of the prairies on the significance of ancient trails on the resonance and the origins of place names Whether he is remembering the day when he caught his first brook trout or admiring the playful grace of the otter or pondering the earth's great cycles of climatic change these moving and evocative essays reaffirm Audubon magazine's celebration of Sigurd Olson as the poetic voice of the modern wilderness movement

Listening Point Sigurd F. Olson, 1997-01 *Listening Point* is about the spiritual human connection to the environment Each time I have gone there I have found something new which has opened up great realms of thought and interest Sigurd F Olson writes For me it has been a point of discovery and like all such places of departure has assumed meaning far beyond the ordinary Considered by some to contain Olson's most vivid and moving passages *Listening Point* is the nature lover's
