Once I Was Cool Megan Stielstra,2021-08-15 Once I Was Cool contrasts past aspirations with the mess and magic of the present In her younger days essayist Megan Stielstra saw Jane s Addiction at the Aragon Ballroom and fantasized about living on the same block right in the thick of music and revelry As an adult she lives in a turreted condo across the street with her husband a child and an onerous mortgage It s just the home her young cool self imagined And it isn t what she expected either With conversational flourishes and on the mark descriptions Stielstra s essays evoke the richness of her everyday life and the memories that are never far away She remembers learning how to shoot a

gun a cancer scare and in a piece that was anthologized in *The Best American Essays 2013* the time she eavesdropped on another new mother using her son's baby monitor I shouldn't have listened she writes But it was the first time since my son was born that I didn't feel alone Combining footnotes electric sentences and uproariously funny anecdotes have you ever run into an ex while rolling on ecstasy Stielstra shows us that maturity is demanding but its rewards are a gift [Quizzes for 220 Great Children's Books](#) Polly Jeanne Wickstrom,1996-01-15 Want a quick way to check to see whether a student has read a book This is it Quizzes contains objective reproducible tests for well known children's books all of which are likely to be found in school and public libraries Titles include award winners and runners up classics popular books and books by such children's authors as Cleary Fox and Norton With a new organization and layout this revised edition offers users an improved and more durable resource Flexible and convenient the reproducible tests are great for helping track independent reading programs [Middle School Journal](#) ,1997 [Trends & Issues in Elementary Language Arts](#) National Council of Teachers of English,1999 A compilation of articles dealing with current topics in education [Collaborative Explorations of Character Experience](#) Don K. Philpot,2022-03-15 Many middle grade novels published in the past 50 years focus on the personal experiences of a prominent fictional world individual age 10-14 This singular focus on one adolescent character which is sustained for the full length of the novel is most common in contemporary realistic or period novels To explore the personal experiences of a prominent fictional young person with middle grade students teachers will select novels whose exclusive focus is the lived experiences of one fictional world individual age 10-14 and guide students efforts to develop full and enlightened understandings about these individuals Collaborative Explorations of Character Experience Reading Actively in Middle Grade Language Arts draws on the personal experiences of eight fictional young people in an effort to answer three key questions What can middle grade students learn about a prominent adolescent character in a middle grade novel by focusing on the personal experiences of that individual In what ways do middle grade students benefit from reading assigned novels with a sustained focus on character experience and the personal experiences of a fictional young person How can middle grade language arts teachers help their students to read assigned novels with a sustained focus on character experience [Structures - Geology, Expansion, and the Arts](#) Debbie Keiser,Brenda McGee,2007-07 The Earth is a solid structure on which we live but it is not unchanging Forces inside Earth constantly change both the inside and outside of the planet we call home When students consider the concept of structures they will discover that the word has many meanings The books in Prufrock's new Differentiated Curriculum Kits employ a differentiated integrated curriculum based on broad themes This all in one curriculum helps teachers save planning time ensure compliance with national standards and most importantly pique their students natural excitement and interest in discovery By participating in the wide variety of activities in the Differentiated Curriculum Kit for Grade 5 students will discover the structures around them and gain a lifelong desire to learn In Structures Book 3 Government Cycles and Physics students will explore cycles in time business monetary value

and life A study of Tuck Everlasting will cause students to realize that a break in the normal life cycle might not be in our best interest Students also look at structures within the topics of electricity and magnetism and the relationship between the two
