**Liane Cassavoy,/ Entrepreneur
magazine**

Brewery Employee Manual Or Handbook:

Handbook of Brewing Graham G. Stewart, Inge Russell, Anne Anstruther, 2017-10-20 With a foreword written by Professor Ludwig Narziss one of the world's most notable brewing scientists the *Handbook of Brewing* Third Edition as it has for two previous editions provides the essential information for those who are involved or interested in the brewing industry The book simultaneously introduces the basics such as the biochemistry and microbiology of brewing processes and also deals with the necessities associated with a brewery which are steadily increasing due to legislation energy priorities environmental issues and the pressures to reduce costs Written by an international team of experts recognized for their contributions to brewing science and technology it also explains how massive improvements in computer power and automation have modernized the brewhouse while developments in biotechnology have steadily improved brewing efficiency beer quality and shelf life

Crafting Brewery Culture Gary Nicholas, 2023-04-11 Brewery operations are defined by their most valuable assets their employees The importance of recruiting developing and supporting staff members cannot be overstated how you support and empower your employees makes a significant difference in the long term success of the company This book will walk you through candidate selection and best practices for training new team members It delves into professional development practices and how to build teams and fill in skill gaps It shows how an operation driven by positive reinforcement teamwork and accountability can help employees learn from mistakes and grow in responsibility It explains the difference between leadership and management and how to use each effectively to achieve a sustainable and growth centered culture A positive and resilient brewery culture will foster a resilient staff one that will withstand changes and shocks to the business while being flexible enough to sustain periods of growth and daily operational challenges This book lays out the structural components behind such a cultural framework strategies for breathing life into this framework and a roadmap for implementing and maintaining it Finally the book's appendixes offer working templates for everything from interviews to training plans and performance assessments to goal setting Whether your brewery is looking at safety quality or financial targets success doesn't come from what you measure Success is about what your team does every single day Build a culture build a team and build a successful future

Decisions and Orders of the National Labor Relations Board United States. National Labor Relations Board, 1988

The SHRM Essential Guide to Employment Law Charles H. Fleischer, 2022-05-24 Understanding workplace law is essential for managing risk and maintaining strong employer employee relationships The *SHRM Essential Guide to Employment Law* is a clear practical reference covering over 200 employment law topics that employers HR professionals and small business owners are most likely to encounter Using accessible language and real world examples it explains key legal principles flags potential pitfalls and helps readers know when to seek professional counsel Each chapter highlights core issues and offers concrete guidance to support compliance and better decision making Fully updated in its second edition the guide includes new content on remote work severance agreement
