Bridging The Bond The Cultural Construction Of The Shelter Pet:

Bridging the Bond Tami L. Harbolt, 2003 What happens behind the doors of the animal shelter This book will introduce the reader to the work culture of animal shelter employees volunteers activists educators and pets By weaving together her own personal memoirs with interviews with workers the author describes the traditions philosophies history and current social dynamics of a typical animal welfare community She examines how the daily interactions personal philosophies disparate methods technology and life experiences of the humans and pets influence the care of homeless animals often playing an intricate role in the life or death situation each pet eventually faces The author also describes her own experience with a rescued dog touching upon the issues of victimization and redemption that she finds characterize the animal welfare field The animals in the book are presented as active participants in this daily drama able to communicate their needs to their caretakers and form lasting impressions Throughout the book workers volunteers and activists tell their own stories stories that embody the hopes frustrations successes and failures in bridging the bond between homeless pets and new families

Bridging the Bond Tami L. Harbolt, 2009-08-29 What happens behind the doors of the animal shelter This book will introduce the reader to the work culture of animal shelter employees volunteers activists educators and pets By weaving together her own personal memoirs with interviews of workers the author describes the traditions philosophies history and current social dynamics of a typical animal welfare community She examines how the daily interactions personal philosophies disparate methods technology and life experiences of the humans and pets influence the care of homeless animals often playing an intricate role in the life or death situation each pet eventually faces

The Lives and Deaths of Shelter Animals Katja M Guenther, 2020-08-18 By investigating the connection between the shelter and the community vastly expands notions of intersectionality democracy and inclusivity Leslie Irvine American Journal of Sociology Monster is an adult pit bull muscular and grey who is impounded in a large animal shelter in Los Angeles Like many other dogs at the shelter Monster is associated with marginalized humans and assumed to embody certain behaviors because of his breed And like approximately one million shelter animals each year Monster will be killed The Lives and Deaths of Shelter Animals takes us inside one of the country's highest intake animal shelters Katja M Guenther witnesses the dramatic variance in the narratives assigned different animals including Monster which dictate their chances for survival She argues that these inequalities are powerfully linked to human ideas about race class gender ability and species Guenther deftly explores internal hierarchies breed discrimination and importantly instances of resistance and agency Powerful and timely Katja M Guenther unlocks the shelter door and eloquently explains this complicated and contested multispecies space as she reflects on issues such as witnessing vulnerability advocacy grievability compassion and animal resistance Carol J Adams author of The Sexual Politics of Meat In this compassionate incisive ethnography Katja M Guenther illuminates the entangled injustices that shape human relationships with other animals Lori Gruen author of Entangled Empathy With the perfect balance of

intimacy and analytical depth the author reminds us of how messy things can get when caring and killing become one or when the value of the animal companion's life is measured by the race gender and zip code of the owner B n dicte Boisseron author of *Afro Dog* [Animals and Society](#) Margo DeMello, 2021-04-13 Human animal studies is an interdisciplinary field that explores the spaces that animals occupy in human social and cultural worlds It examines the interactions humans and animals have with each other and the ways animal lives intersect with human societies Since existing social orders rely on the exploitation of animals to serve human needs the questions posed by human animal studies touch upon a wide range of fundamental issues *Animals and Society* provides a broad overview of this rapidly growing field Margo DeMello offers students and scholars a holistic and comprehensive picture of the state of inquiry into the relationships that exist between humans and other animals She considers interactions between animals and humans in social organizations such as the family the legal system and political and religious institutions A major focus is the social construction of animals in world cultures and the way in which these social meanings are used to reinforce and perpetuate hierarchical human relationships such as racism sexism and class privilege The book also examines how different human groups construct a range of identities for themselves and for others through animals This second edition of *Animals and Society* is fully updated and expanded throughout enhancing the book's relevance for student and activist readers alike It includes many new international examples all new case studies and updated supplementary readings

Animal Rights Lisa Yount, 2007 Praise for the previous edition an excellent first stop resource for research on animal rights well organized clearly written and a great starting point for research Recommended Choice comprehensive invaluable for reports on a popular current topic VOYA a very complete research guide that will be most useful at the high school and college level American Reference Books Annual The treatment of animals has become a controversial issue over the years with many questioning an animal's fundamental rights For some the issue of animal rights is merely an attempt to improve conditions of animals used for clothing food and other products while others believe animals should be granted the same legal rights afforded to humans *Animal Rights* Revised Edition provides an overview of the history of the animal rights movement and reactions to it as well as the issues of animal experimentation conditions on factory farms laboratory animals animals in entertainment hunting and the actions of those involved in the animal rights debate New content includes such documents as the Animal Enterprise Terrorism Act of 2006 and contemporary court cases such as *Animal Legal Defense Fund v Glickman* These documents provide both past and present perspectives on the issue and plot a course for future debate about animal rights A comprehensive and up to date overview essay capsule biographies a large annotated bibliography a chronology of significant events organization and agency listings and a glossary all combine to make this an ideal first stop reference to animal rights Coverage includes Whether medical testing performed on animals is ethical Whether animals should be banned from circuses and other forms of entertainment How threats against investors in companies that participate in animal drug testing should
