Many people have said that the "real" test of a person's character is how they behave when no one is watching. This is a true statement, and it is one that we should all strive to live by. When we are alone, we are free to do as we please, and this is where our true character is revealed. If we can control ourselves when no one is watching, we can control ourselves in all situations. This is the true test of a person's character, and it is one that we should all strive to live by.
