What Possible Good? Bill Trout, 2020-04-14 In the midst of our own intense storms of life we desperately search for an anchor of hope This book by author Bill Trout takes us on a journey towards gaining a better understanding of our pain and

suffering We will find that God alone is the one true steadfast anchor that we seek Believers in Jesus are firmly secured to God as our anchor by a heavenly chain of very strong links One of the most vital links is found in the answer to the following question What possible good could come from our suffering There is great news God can and does turn bad things into good things for us To see him at work in our lives we need to ask God to open our spiritual eyes To improve our vision of the Master Potter at work we will look through a number of different spiritual lenses Each lens will permit us to see a different Biblical perspective of viewing our pain and suffering Not only will we see a broad range of the possible causes and sources of our trials but also we will discover additional links in the chain of hope which may have eluded us thus far Though we have a natural tendency to blame God for our pain and suffering we will learn that the devil is the primary cause for most of the trials we face But more great news As we grow in our faith and trust in God we realize that he is an expert at turning the tables on all of the devil s deceptive schemes to tempt torture and destroy us God clearly works for the good of the those who love him who are called according to his purpose Romans 8 28 He is the master of turning potential defeat into decisive victory If we hold tight to him as our anchor we can safely and securely ride out all of the storms of life until we reach that promised eternal heavenly shore
