Betsy Was a Junior/Betsy and Joe Maud Hart Lovelace,2011-04-26 Betsy Was a Junior It s the best school year ever especially now that charming funny Tib Muller is back in Deep Valley But when her crowd gets into trouble Betsy s best year could turn out to be her worst Betsy and Joe Betsy always thought she and Joe Willard were made for each other and now that summer s over and senior year s begun it seems her dream is coming true But her friend Tony Markham has come calling as well and his intentions are definitely romantic **BETSY WAS A JUNIOR A BETSY TACY HIGH SCHOOL**

STORY Maud Hart Lovelace,1947 **Betsy Was a Junior** Maud Hart Lovelace,1995-03-31 The adventures of Betsy now a junior at Deep Valley High School in Minnesota *From Little Houses to Little Women* Nancy McCabe,2014-12-09 A typical travel book takes readers along on a trip with the author but a great travel book does much more than that inviting readers along on a mental and spiritual journey as well This distinction is what separates Nancy McCabe s *From Little Houses to Little Women* from the typical and allows it to take its place not only as a great travel book but also as a memoir about the children s books that have shaped all of our imaginations McCabe who grew up in Kansas just a few hours from the Ingalls family s home in Little House on the Prairie always felt a deep connection with Laura Ingalls Wilder author of the Little House series McCabe read Little House on the Prairie during her childhood and visited Wilder sites around the Midwest with her aunt when she was thirteen But then she didn t read the series again until she decided to revisit in adulthood the books that had so influenced her childhood It was this decision that ultimately sparked her desire to visit the places that inspired many of her childhood favorites taking her on a journey that included stops in the Missouri of Laura Ingalls Wilder the Minnesota of Maud Hart Lovelace the Massachusetts of Louisa May Alcott and even the Canada of Lucy Maud Montgomery *From Little Houses to Little Women* reveals McCabe s powerful connection to the characters and authors who inspired many generations of readers Traveling with McCabe as she rediscovers the books that shaped her and ultimately helped her to forge her own path readers will enjoy revisiting their own childhood favorites as well Rediscoveries in Children's Literature Suzanne Rahn,2013-08-21 First Published in 1995 Dedicated to furthering original research in children s literature and culture the Children s Literature and Culture series will include monographs on individual authors and illustrators historical examinations of different periods literary analyses of genres and comparative studies on literature and the mass media The series is international in scope and is intended to encourage innovative research in children s literature with a focus on interdisciplinary methodology This volume looks at undiscovered children s literature Helping Your Child Learn Responsible Behavior Bernice Cullinan,1994 This book provides practical ideas and activities which promote responsible behavior and attitudes in children *Betsy and Joe* Maud Hart Lovelace,2009-09-30 Betsy experiences her junior and senior years at Deep Valley High where she gets into trouble with her friends and finds herself courted by both playboy Joe Willard and longtime friend Tony Markham **Girls' Series Fiction and American Popular Culture** LuElla D'Amico,2016-03-01

Girls Series Fiction and American Popular Culture examines the ways in which young female heroines in American series fiction have undergone dramatic changes in the past 150 years changes which have both reflected and modeled standards of behavior for America s tweens and teen girls Though series books are often derided for lacking in imagination and literary potency that the majority of American girls have been exposed to girls series in some form whether through books television or other media suggests that this genre needs to be studied further and that the development of the heroines that girls read about have created an impact that is worthy of a fresh critical lens Thus this collection explores how series books have influenced and shaped popular American culture and in doing so girls everyday experiences from the mid nineteenth century until now The collection interrogates the cultural work that is performed through the series genre contemplating the messages these books relay about subjects including race class gender education family romance and friendship and it examines the trajectory of girl fiction within such contexts as material culture geopolitics socioeconomics and feminism
