Biggest Fish Ever Caught Andrew Vietze, 2013-10-15 How did they do it What are the secrets of the fishermen who've landed the world's greatest trophy fishes The *Biggest Fish Ever Caught* will tell the tales behind the International Game Fishing Association's record holding fish including where they were bagged what lines lures the anglers used and other tips and tricks The dozen stories here are filled with amazing action and intriguing characters They'll take you to lakes streams and oceans around the world and explore catch and release vs blood sport fishing stocking and bioengineering conservation and controversy All the while revealing the sorts of secrets fishermen don't usually like to share

Steinbeck's Imaginarium Robert DeMott, 2022-11-15 In Steinbeck's *Imaginarium* Robert DeMott delves into the imaginative creative and sometimes neglected aspects of John Steinbeck's writing DeMott positions Steinbeck as a prophetic voice for today as much as he was for the Depression era 1930s as the essays explore the often unknown or unacknowledged elements of Steinbeck's artistic career that deserve closer attention He writes about the determining scientific influences such as quantum physics and ecology in Cannery Row and considers Steinbeck's addiction to writing through the lens of the extensive obsessive full length journals that he kept while writing three of his best known novels *The Grapes of Wrath* *The Wayward Bus* and *East of Eden* DeMott insists that these monumental works of fiction all comprise important statements on his creative process and his theory of fiction writing DeMott further blends his personal experience as a lifelong angler with a reading of several neglected fishing episodes in Steinbeck's work Collectively the chapters illuminate John Steinbeck as a fully conscious self aware literate experimental novelist whose talents will continue to warrant study and admiration for years to come

Casting Forward Steve Ramirez, 2020-11-01 In *Casting Forward* naturalist educator and writer Steve

Ramirez takes the reader on a yearlong journey fly fishing all of the major rivers of the Texas Hill Country This is a story of the resilience of nature and the best of human nature It is the story of a living breathing place where the footprints of dinosaurs conquistadors and Comanches have mingled just beneath the clear spring fed waters This book is an impassioned plea for the survival of this landscape and its biodiversity and for a new ethic in how we treat fish nature and each other

Game Tom Tyler,2022-05-31 A playful reflection on animals and video games and what each can teach us about the other Video games conjure new worlds for those who play them human or otherwise they ve been played by cats orangutans pigs and penguins and they let gamers experience life from the perspective of a pet dog a predator or a prey animal or even a pathogen In *Game* author Tom Tyler provides the first sustained consideration of video games and animals and demonstrates how thinking about animals and games together can prompt fresh thinking about both *Game* comprises thirteen short essays each of which examines a particular video game franchise aspect of gameplay or production in which animals are featured allowing us to reflect on conventional understandings of humans animals and the relationships between them Tyler contemplates the significance of animals who insert themselves into video games as protagonists opponents and brute resources but also as ciphers subjects and subversive guides to new ways of thinking These animals encourage us to reconsider how we understand games contesting established ideas about winning and losing difficulty settings accessibility playing badly virtuality vitality and vulnerability and much more Written in a playful style *Game* draws from a dizzying array of sources from children s television sitcoms and regional newspapers to medieval fables Shakespearean tragedy and Edwardian comedy from primatology entomology and hunting and fishing manuals to theological tracts and philosophical treatises By examining video games through the lens of animals and animality Tyler leads us to a greater humility regarding the nature and status of the human creature and a greater sensitivity in dealings with other animals
