Beyond Rhetoric Reconciliation As A Way Of Life:

Beyond Rhetoric Samuel George Hines, Curtiss Paul DeYoung, 2011-04-01 In *Beyond Rhetoric* the late Samuel Hines and Curtiss DeYoung place reconciliation at the very center of God's agenda for humankind. In so doing they provide both inspiration and guidance for faithful Christian living that embraces a passionate pursuit of reconciliation. **Being (the Church) Beyond the South-North-divide** Andrea Fröchtling, 2003 This book testifies to the fact that the embodiment of ideas of partnership can occur in many ways. Contributors from South Africa and Germany engage in a search for identities in othernesses and for common ground beyond the divide. Seventeen contributions address a variety of partnership related issues ranging from ecumenical hermeneutical foundations to practical applications. Andrea Fröchtling is teacher in Celle, Germany. Ndanganeni Phaswana is a bishop in the Evangelical Lutheran Church in Southern Africa Central Diocese.

Roads to Reconciliation: Conflict and Dialogue in the Twenty-first Century Amy Benson Brown, Karen M. Poremski, 2014-12-18 Unlike other books on conflict resolution that focus on particular places and moments in history, this original work attempts to understand the process from many different perspectives and in many different contexts, from international political conflicts to racial and religious struggles within one culture to the internal conflicts of individuals struggling with the desire for revenge in the wake of 9/11. Designed as a starting point for meaningful dialogue on the elusive concept of reconciliation, the book includes views from Christians and Muslims, scholars and politicians, and draws on religion, psychology, cultural studies, education, theory, history, and law. Transcendence By Perspective Bryan Crable, 2014-07-15 The nine contributors to this collection examine rhetorician Kenneth Burke's understanding of transcendence, applying it to a wide range of social and political issues, including racial and presidential politics. **Race and Reconciliation** John B. Hatch, 2009-12-01 Hatch develops a robust rhetorical theory of reconciliation and applies it to contemporary national and global efforts to redress the racialized wounds and injustices created by slavery. What emerges from this work is a profound vision for the prospects of meaningful reparation, forgiveness, and reconciliation in American race relations. *Towards a Contextual Transformational Practical Theology for Leadership Education in South Africa* Gordon E. Dames, 2016 *Towards a contextual transformational practical theology for leadership education in South Africa* is a courageous effort by a prominent South African practical theologian to develop a framework for the theory and practice of leadership education in an African context. Taking the harsh realities of South Africa as point of departure, the author demonstrates how an indigenous South African practical theology can be developed through a critical interaction between Western and African ideas. Prof. Jaco S. Dreyer, Professor of Practical Theology, University of South Africa. **Intergenerational Christian Formation** Holly Catterton Allen, Christine Lawton, Cory L. Seibel, 2023-06-13 In a revised and updated edition, this comprehensive up-to-date text offers a framework for intentional intergenerational Christian formation. It provides the theoretical foundation of intergenerationality, then gives concrete practical guidance on how worship, learning, community, and service can all be

achieved intergenerationally
