Beyond Macroeconomic Stability Structural Transformation And Inclusive Development Advances In Labour Studies:

Beyond Macroeconomic Stability Iyanatul Islam, 2014-02-25 This volume goes beyond a narrow conceptualization of macroeconomic stability and explores the link between socio economic policies structural transformation and inclusive development It rests on three thematic pillars the limits of conventional macroeconomics the long run agenda of structural transformation and the development of capabilities Towards Better Work A. Rossi, A. Luinstra, J. Pickles, 2014-02-12 Globalization of production has created opportunities and challenges for developing country producers and workers This volume provides solutions oriented approaches for promoting improved working conditions and labour rights in the apparel industry *Creative Labour Regulation* D. McCann, S. Lee, P. Belser, C. Fenwick, J. Howe, M. Luebker, 2014-02-12 The volume is at the forefront of the academic and policy debates on effective labour regulation offering innovative approaches to research and policy It is an interdisciplinary response to the central challenges that face modern labour regulation and draws on contributions by leading experts in a range of disciplines **The Labour Markets of Emerging Economies** Sandrine Cazes, Sher Verick, 2013-08-09 The past few decades have witnessed the economic and geopolitical rise of a number of large middle income countries around the world This volume focuses on the labour market situations trends and regulations in these emerging economies **Wage-Led Growth** Engelbert Stockhammer, 2013-12-03 This volume seeks to go beyond the microeconomic view of wages as a cost having negative consequences on a given firm to consider the positive macroeconomic dynamics associated with wages as a major component of aggregate demand **Labour Markets, Institutions and Inequality** Janine Berg, 2015-01-30 Labour market institutions including collective bargaining the regulation of employment contracts and social protection policies are instrumental for improving the well being of workers their families and society In many countries these instituti Employment and Inclusive Development Rizwanul Islam, Iyanatul Islam, 2015-02-11 Issues relating to employment and labour have once again come to the fore of global policy debates in the wake of the widespread unemployment that has accompanied the current financial crisis In the developing world there is a growing realization that productive employment promotion and social protection have to be at the core of inclusive growth and development This book supports the view that employment is a cross cutting issue shaped by macroeconomic and microeconomic policy interventions and provides a capacious framework to analyse the complexity of this global debate It covers a wide range of issues that have received insufficient attention in the discourse of development and labour economics These include the impact of macroeconomic policies on employment labour rights the development of human capabilities and employability youth employment the benefits and costs of labour market flexibility and the importance of social protection for all This important book aims at filling this gap by revisiting old debates and reconnecting them to the contemporary context combining analyses with relevant empirical evidence It will appeal to a diverse readership

of academic institutions and think tanks international organizations bilateral donors working on development issues and policy makers in developing countries The Growth Paths of State-Society Relations Mohamed Ismail Sabry,2023-09-18 Combining case studies with empirical and theoretical game analysis Mohamed Ismail Sabry presents four State Business Labor Relations SBLR modes for considering the power relationships at play in the interactions between government business and society **African Economic Development** Christopher Cramer,John Sender,Arkebe Oqubay,2020-06-10 This is an open access title available under the terms of a CC BY NC ND 4.0 International licence It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations Unevenness and inequalities form a central fact of African economic experiences This book challenges conventional wisdoms about economic performance and possible policies for economic development in African countries using the striking variation in economic performance as a starting point African Economic Development Evidence Theory and Policy highlights not only difference between countries but also variation within countries It focuses on issues relating to gender class and ethnic identity such as neo natal mortality school dropout and horticultural and agribusiness exports Variations in these areas point to opportunities for changing performance reducing inequalities learning from other policy experiences and escaping the ties of structure and the legacies of a colonial past African Economic Development rejects teleological illusions and Eurocentric prejudice criticizing a range of orthodox and heterodox economists for their cavalier attitude to evidence Instead it shows that seeing the contradictions of capitalism for what they are fundamental and enduring may help policy officials protect themselves against the misleading idea that development can be expected to be a smooth linear process or that it would be if certain impediments were removed Drawing on decades of research and policy experience this book combines careful use of available evidence from a range of African countries with economic insights to make the policy case for specific types of public sector investment The Political Economy of Indonesia's Economic Development, Volume II Sangaralingam Ramesh,2025-11-01 This book offers an in depth exploration of Indonesia's political economy from the aftermath of the 1997-98 Asian Financial Crisis to its emergence as a pivotal economic and geopolitical actor in Southeast Asia It examines how Indonesia navigated structural reforms decentralization state business relations and shifting development strategies in response to both domestic challenges and global trends Organized chronologically and thematically the chapters trace Indonesia's economic governance through major milestones including post Suharto transitions democratic consolidation financial liberalization the rise of state capitalism and post 2008 global economic transformations Key themes include political patronage and economic rent seeking infrastructure development environmental and energy policy technological innovation and Indonesia's evolving international economic diplomacy Bridging the disciplines of political science development economics and international relations the book brings together theoretical analysis and empirical evidence to understand how power institutions and global forces have shaped Indonesia's developmental trajectory It is essential reading
