Beyond Freedom And Dignity Hackett Classics:

Beyond Freedom and Dignity B. F. Skinner, 2002-03-15 In this profound and profoundly controversial work a landmark of 20th century thought originally published in 1971 B F Skinner makes his definitive statement about humankind and society Insisting that the problems of the world today can be solved only by dealing much more effectively with human behavior Skinner argues that our traditional concepts of freedom and dignity must be sharply revised They have played an important historical role in our struggle against many kinds of tyranny he acknowledges but they are now responsible for the futile defense of a presumed free and autonomous individual they are perpetuating our use of punishment and blocking the development of more effective cultural practices Basing his arguments on the massive results of the experimental analysis of behavior he pioneered Skinner rejects traditional explanations of behavior in terms of states of mind feelings and other mental attributes in favor of explanations to be sought in the interaction between genetic endowment and personal history He argues that instead of promoting freedom and dignity as personal attributes we should direct our attention to the physical and social environments in which people live It is the environment rather than humankind itself that must be changed if the traditional goals of the struggle for freedom and dignity are to be reached Beyond Freedom and Dignity urges us to reexamine the ideals we have taken for granted and to consider the possibility of a radically behaviorist approach to human problems one that has appeared to some incompatible with those ideals but which envisions the building of a world in which humankind can attain its greatest possible achievements *Beyond Freedom and Dignity* Burrhus Frederic Skinner, 1980

The Trojan Horse in the Tribal Classroom Thomas Alan Tobin, 2022-05-04 The Trojan Horse in the Tribal Classroom How Culture Wars are Waged and Won on the Front Lines of Education By Thomas Alan Tobin All three hundred thirty million of us are immersed in culture wars at every turn It s one of the great disadvantages of diversity One such warfare has been hidden from all of us despite the fact that we had to face it almost daily in our formative years The battleground for this most common cultural conflict is where we all spent at least 40% of our school years preparing not just for unforeseen pandemics such as we re caught up in now nor also for dealing with the economic ecological and political divisions that currently confront all arenas of American society Surprisingly it s our educational system and especially the classroom where the frontlines of cultural warfare may have kept us constantly struggling for so long Unwittingly and unwillingly drafted into these social and cultural battles we ve been trained to continue this perennial struggle between academic and popular sub cultures in our schools The Trojan Horse in the Tribal Classroom reveals the situational factors and functions that have caused education to become an embattled institution and teaching an embattled profession Most importantly it proposes social and cultural solutions to these problems that promise real institution wide improvement and a completely reconstructed truly academic classroom culture One reading of this book will totally revise one s vision of American education and our memories of thousands of hours of classroom life Dr Regina Peter Executive Director NEWMARK

Education A Curriculum for Social Justice Liz Atkins, Louise Misselke, Jeanette Hart, Sue Lambeth, Lorraine Barker, 2023-11-26 This book reports the outcomes of a research project which involved developing and implementing a research informed curriculum for low attaining further education students Key aims of the curriculum were to ameliorate some of the social and educational disadvantages faced by the students and to support secure and sustainable transitions to employment or further education The book begins by outlining the characteristics of the lowest attaining young people and considering the challenges they face Subsequent chapters describe the educational and geographic contexts the curriculum and the pedagogical approaches adopted It moves on to describe the outcomes of the project drawing on narratives of individual students and staff to illustrate the benefits of a broader curriculum which acknowledges earlier disadvantage The book concludes with a discussion of how the curriculum could be adapted in different contexts and considers the implications of such change in terms of policy practice future research and social justice **50 Psychology Classics Second Edition**

Classic Case Studies in Psychology Geoff Rolls, 2019-12-06 The human mind is both extraordinary and compelling From the leader who convinced his followers to kill themselves to the man who lost his memory these famous accounts have provided invaluable insights for scholars and researchers and amazed the public at large Brought to life by Rolls each case is contextualized with more typical behaviour while the latest thinking in each subfield is also discussed Revised and updated this new edition features two new case studies including the Jim Twins by Thomas Bouchard an amazing case of twins separated at birth and adopted by different parents yet when reunited 30 years later shared so many behavioural characteristics It also features a new issues and debates chapter Classic Case Studies in Psychology is accessibly written and requires no prior knowledge of psychology just an interest in the human condition The book will amaze sometimes disturb but above all enlighten its readers Geoff Rolls has taught psychology for over 26 years and is currently Head of Psychology at Peter Symonds College Winchester UK He is the author of the popular Women Can't Park Men Can't Pack Chambers 2009 which investigates gender stereotypes including driving and also Taking the Proverbial Chambers 2007 which explores the psychological truth behind well known proverbs and sayings

Dictatorship of experts Pierre Matile, 2022-12-03 Are you looking for a life in which your every move is normalized standardized Are you ready to give up your freedom to think and act to conform This is what the priests of this new kind of technological messianism are working towards By granting them access to your personal data by following their recommendations you submit to their precepts Their goal is to create a society of obedient individuals Their methods of persuasion have been refined over the last century They are ready to eliminate by stealth all those who refuse to comply In exchange to those who accept the good word they promise in time eternal life on earth Will you resist the siren song

The Foundations of Philosophy Michael Pol Macneil, 2025-06-03 This work is about philosophy and what makes a philosophy distinctively Christian in character arguing that it is indeed possible for philosophy to be conceived of as first Christian and not just philosophy done by people that happen to be Christians Christian philosophy is epistemologically self conscious philosophy conducted in a manner honoring to the revelation of the Hebrew and Christian scriptures It is argued that philosophy should be transformative rather than

just therapeutic or elucidatory The author examines competing philosophical and scientific accounts from both the empiricist and rationalist schools arguing they are coherent and successful only to the degree that they have imported consciously or unconsciously Christian transcendentals He then applies this insight to explore the character and practice of a Christian political philosophy
