Becoming The Son An Autobiography Of Jesus:

Becoming the Son C. D. Baker, 2012-08-24 Jesus Christ changed the world but did he ever lose his sandals He healed others but was he ever sick If he was God why didn't he know everything Did he have friends Did he ever tell a joke Did he laugh What about his sexuality Why did his family think he was crazy Does his story matter now While many may already know the bare facts of Jesus life this unique daring and inspiring novel reveals the astonishing possibilities of what else could have been Meticulously researched *Becoming the Son* invites you to encounter the Jesus of the Gospels in ways you might not expect What you will experience is likely to change your life forever The Autobiography of Elder Matthew Gardner

Anonymous, 2023-05-15 Reprint of the original first published in 1874 **Systematic Theology** Wolfhart

Pannenberg, 2004-01-01 *When God the Son Became the Son of God* Robert Fuller, 2008-03 Two baffling concepts have always confronted Christianity the doctrine of the trinity and the subject of Christology Both subjects deal with the inexplicable mysteries of how God became incarnate in Jesus Christ and when did Jesus know He was God The author believes the subject of the trinity is actually simple and easily understood from a scriptural perspective This book is for anyone who wants to know about the preexistence of Jesus Christ for believers who might be unsure about their personal salvation and for all Christians who want the entire message of how and why Jesus is the Son of God Robert Fuller is an ordained minister having received his B A degree in the Biblical Field from Abilene Christian University and a M Ed degree from the University of North Texas Mr Fuller states I was raised a Trinitarian as defined by the Nicene Council of 325 A D and was taught Chalcedonian Christology yet it was not until later in life that I have come to understand the scriptures concerning why and how God the Son emptied Himself not of divinity but of equality with Very God to become the Son of God and eventually the man Jesus Christ Jesus was the Son of God in human form and fulfilled God's perfect will so that God the Father gave Him the authoritative name of Jesus Jesus was aware of His divinity at His barmitzvah when He demonstrated to the temple priest His divine wisdom about the Torah Catholics have always been right about Mary being the Mother of God She knew Jesus was God in the flesh and no doubt informed Him early on about His miraculous conception Jesus virgin birth was something Mary just couldn't keep to herself Luke 1 46 56 *Prophetic Biography of Jesus Christ* Vigilius Herman

Krull, 1910 **Friends' Intelligencer**, 1922 **Jesus Becoming Jesus** Thomas Weinandy, 2018-04-06 Jesus Becoming Jesus presents a theological interpretation of the Gospels of Matthew Mark and Luke Unlike many conventional biblical commentaries Weinandy concentrates on the theological content contained within the Synoptic Gospels He does this

A Nazareth Manifesto Samuel Wells, 2015-06-15 A Nazareth Manifesto is an eloquent and impassioned ecumenical proposal for re-envisioning Christianity's approach to social engagement away from working for the people to being with them Questions the effectiveness of the current trend of intervention as a means of fixing the problems of people in distressed and disadvantaged circumstances Argues that Jesus spent 90% of his life simply being among the people of Nazareth sharing

their hopes and struggles therefore Christians should place a similar emphasis on being alongside people in need rather than hastening to impose solutions Written by a respected priest and broadcaster and renowned Christian ethicist and preacher Supported by historical contemporary exegetical and anecdotal illustrations **Jesus the Messiah, Being an Abridged Edition of 'The Life and Times of Jesus the Messiah'** Alfred Edersheim, 1890 **Incarnational Realism** Travis E. Ables, 2013-07-18 In the last half of the 20th century a consensus emerged that Christian theology in the Western tradition had failed to produce a viable doctrine of the Holy Spirit and that Augustine's trinitarian theology bore the blame for much of that failure This book offers a fresh rereading of Western trinitarian theology to better understand the logic of its pneumatology Ables studies the pneumatologies of Augustine and Karl Barth and argues that the vision of the doctrine of the Spirit in these theologians should be understood as a way of talking about participating in the mystery of God as a performance of the life of Christ He claims that for both theologians trinitarian doctrine encapsulates the grammar of the divine self giving in history The function of pneumatology in particular is to articulate the human reception and enactment of God's self giving as itself part of the act of God this self involving logic is the special grammar of the doctrine of the Holy Spirit
