Bee Fairy Power Frank Scott:

Bee and Fairy Power Frank Scott,Nisa Montie,2015-12-23 Who are you and why have you entered my dream space Donya asked I am a bee from planet Earth and my name is Ben He circled around and chanted S O S S O S The bees are dying The pollen is poisoned with chemicals and the genetic code of the plants has been modified so that they no longer are nourishing to All Life Earth Mother s skin the soil is cracked and dead If we cannot pollinate the plants not enough plants will grow to feed the animals and the humans Life on Mother Earth will cease as we know it The humans won t have food I ll help you Ben the Bee Startling himself fully awake as he spoke out loud Donya looked around Whoa Manny you ll never guess who came into my dream space Manny rustled his leaves and rumbled deep within his trunk Was it Ben the Bee *Andy Ant and Beatrice Bee* Frank Scott,Nisa Montie,2015-11-13 When Andy Ant is walking through the forest he finds a bee who has a hurt wing and cannot fly By practicing compassion Andy makes a new friend and his ant colony receives a surprise reward from Beatrice Bees hive mates Return to Paradise Frank Scott,Nisa Montie,2015-12-11 The Professor will be so happy We have proven that the Virtues really do work to create Return to Paradise Happy the Bluebird chattered excitedly If Happy and Bright Wings the Cardinal could have seen just behind their backs they would have noticed that inside each of their backpacks was a glowing Virtue stone Bright and steady as a star each stone shone with the word Wonder Thank you God Professor Tortoise whispered to herself Then she looked out the window saying Thank you Happy and Bright Wings to the two birds as they flew in through the window of her office for the Virtue Mission accomplished Time for a party exclaimed Happy Good idea said Bright Wings Professor Tortoise do you happen to have a bowl of water around I am quite thirsty Here you go A big bowl of sparkling clear water for both of you Lets celebrate Return to Paradise said the beaming Professor So they did **Restoring the Heart** Frank Scott,Nisa Montie,2015-12-07 This kind of Love binds each of us eternally carrying a message of hope to those that despair and find themselves isolated It promotes the advancement of a Divine Civilization as each Realm acts as an expression of its own luminescent radiance and purity expressing its own density related in quality and character to a material composition in a three dimensional state and becomes a way of the heart towards GodLiving Gods Dream Paradise We move through each world of God as we vanish from one into the other superposed layered and embedded dream state into a singularity collapsed into a point of Lightthe state of pure awareness We have learned to give each other what we crave and desire and in this way we have built civilizations over time that we thought and think of as successes Yet the program we created removed us further from the Truth caught us within our own web of third and fourth dimensional desires leaving us with the realization that we are truly empty dead to the Spirit Soul and the True Life Giver at the end of the road All the things we do and have for all their material or even emotional worth cannot bring the joy and peace we really desire and need Worst of all we have taken from each other the means to know the Truth and make the right choices We have robbed from one another the Voice from within once we lost our mutual trust Echoes of a Vision of Paradise Frank

Scott,Nisa Montie,2015-12-16 *Echoes of a Vision of Paradise Volume 1* presents the idea that a human Soul possessing Spirit Being a gated unmodulated potential carrier of light who is unaware of the Divine Plan is not yet considered enlightened To be enlightened one must be a Soul possessing Spirit gated and modulated Being or an enlightened aware of the engraved Image and Beauty of God within Soul possessing Spirit gated modulated carrier a Light being To be an enlightened being you are aware that you are aware that you are a manifestation of God able to reflect as in an image Second you have the knowingness that God does what He Wills and as He Pleases In other words you are His design and no matter what all paths lead to God Whatever one may be doing will eventually lead to the process of enlightenment The only question remaining is how do you choose to make your journey Swift and smooth or slow and harsh One dot of light is a symbol used to represent the whole of Creation Within this dot of light everything that is unmanifested and manifested hidden and seen far and near is contained as an ever present potential in transit expanding and transcending over time into unified fields of a the Spirit of slow collapsing gating systems Infinite points of entry are assembled into structures with forms and functions that translate information into systems of intelligent life and more male and female human pairings as eternal companions that vibrate in a definite pattern of Light

Experiences and Insights Frank Scott,Nisa Montie,2016-12-27 There is so much murkiness within each point of view that prevents each of us from seeing and experiencing knowing and having the correct choices to progress toward Gods desired goal Within our true nature as divine entities the translucent complexity is brought into a singleness our thoughts and feelings from physiologically based states of consciousness Spirits and Soul based states of awareness are unified when we are properly modulated Most beings ignore or deny the difficulties that occur when we choose egoic points of view rather than that of the First Mind With the former disconnected viewpoints and the resulting lack of alignment and integration of Soul Spirit mind and body within our Selves we experience in our external worlds events and actions that reflect this improper arrangement and lack of coherence as well as the distortion derived therefrom from moment to moment No amount of therapy and time can disentangle the disarray the muddle of confusion said predicament produces in the psyche of each and all Suffice it to say a transitory look at the world we live in reveals to any detached observer the games and traps being created from one to the next generation Whether actively or passively pursued these games cause effects which cost all of us be it emotional or monetary costs draining our production and reducing our resource utilization or adding to a greater tragedythe loss of direction and meaning for our Selves

Echoes of a Vision of Paradise Volume 2 Frank Scott,Nisa Montie,2015-12-16 Volume 2 This ascension may be greatly accelerated when accomplished in a divine relationship an eternal companionship created originally by God between the two Soul possessing Spirit beings in the beginning that has no beginning The path to eternal companionship begins with two individuals in the role of a man and a woman following whatever script costumes and props he or she may be using in the theater of life To simplify the journey as we search for the Truth the individual regardless of roles and scripts costumes and props must remember and return to his

or her Higher Self the human Soul possessing Spirit gated and modulated being s state the fifth dimension of awareness The individual must detach himself or herself from the ascribed value system that has been applied up until then in life It is God the Creator who brings the shifts in our conscious awareness and the blessings of the Spirit imperceptible fields of activities at first that are continuously expressed in daily life opportunities or concepts that bring closure to a project recoveries from illnesses the finding of one s way in difficult situations and conflict resolutions when all appears lost **How Alexander the Gnome Found the Sun** Frank Scott,Nisa Montie,2015-12-15 By digging upwards Alexander finds the world above where the sun rises and sets and new friends come to welcome him Flower Fairies Tree Spirits Dragonfly Riders Kurt the Rock Gnome and the beautiful lake fairies who touch his heartStaria Latia and Selene Evening Fairy Song You have come up from the Underground To see the Sun bright world We bless you on your Gnome Home away Come back again to dance and play

The Key Frank Scott,Nisa Montie,2017-03-23 The experience of the realized Soul possessing Spirit Being of Light is that Paradise exists superposed upon worlds of time Every world of matter its elements bonded together and filled with the Love of God shines with Beauty The mind of such an entity is clear and inclined to harbor thought forms that precipitate insights filled with the joy of exploration and discovery and the Spirit of the Universe brimming with those imperceptible fields of activity brings rapture and luminosity as the precursors of things to come the certainty of a future adorned with the Beauty of Virtues embodied with the garment of Divine Love **Paradise:** Frank Scott,Nisa Montie,2016-09-13 This is the final book in a series of books dedicated to explain and assist in the understanding of ones journey within the simulatora trainer as a system for the development of life and intelligence remembering and returning to ones higher self
