

BEFORE AND AFTER

You may find that you begin
to measure your life
before
and after
they left.

And that's okay.

Just be sure
whatever you do
whatever tiny grain of strength
you have left
that you strive
to fill up the after
as richly
and as beautifully
as they helped you fill
the *before*.

The before
is committed to memory now
but the *after*
is totally up to you.

Make it count.

The Hebrew Bible in Contemporary Fiction and Poetry Lena-Sofia Tiemeyer, 2025-03-31 This book discusses 20th and 21st centuries literary retellings of biblical texts focusing on how fiction and poetry fill the extant narrative gaps present in the often sparse biblical accounts and align the narratives with theological and or cultural expectations of modern interpreting communities The chapters written by an international group of scholars explore biblical retellings in a variety of modern languages ranging from Korean and Chinese to Hebrew and Arabic Most of the contributions deal with retellings of the narrative books Genesis Exodus Judges Ruth 1 2 Samuel Daniel but a few are devoted to prophetic Hosea and poetic Psalms ones Another set of articles looks beyond specific biblical books and instead analyses how the Bible has been retold in different literary genres Children and YA literature sci fi and fantasy Christian Inspiration fiction and in modern political discourse North and South Korea All the chapters further highlight how literary retellings of the Bible form two way movements They reveal the often subversive quality of literary retellings retellings not only emphasise those nuances in the biblical texts that create unease but also problematise their standpoint and question their moral and theological message *The Hebrew Bible in Contemporary Fiction and Poetry* is suitable for students and scholars of biblical studies working on intertextuality and reception history It is also of interest to those working on comparative literature particularly with regards to the Hebrew Bible in popular culture and literature **Poems Before & After** Miroslav Holub, 1990 Miroslav Holub was the Czech Republic's most important poet and also one of her leading immunologists His fantastical and witty poems give a

Mixing myth, history and folktale with science and philosophy, his plainly written sceptical poems are surreal mini dramas often pivoting on paradoxes. The Poems of T. S. Eliot, Volume I T. S. Eliot, 2018-12-04
 The first volume of the first paperback edition of The Poems of T S Eliot. This two volume critical edition of T S Eliot's poems establishes a new text of the Collected Poems 1909-1962, rectifying accidental omissions and errors that have crept in during the century since Eliot's astonishing debut, The Love Song of J Alfred Prufrock. In addition to the masterpieces, The Poems of T S Eliot contains the poems of Eliot's youth which were rediscovered only decades later, poems that circulated privately during his lifetime, and love poems from his final years written for his wife Valerie. Calling upon Eliot's critical writings as well as his drafts, letters and other original materials, Christopher Ricks and Jim McCue have provided a commentary that illuminates the imaginative life of each poem. This first volume respects Eliot's decisions by opening with his Collected Poems 1909-1962 as he arranged and issued it shortly before his death. This is followed by poems uncollected but either written for or suitable for publication, and by a new reading text of the drafts of The Waste Land. The second volume opens with the two books of verse of other kinds that Eliot issued: Old Possum's Book of Practical Cats and Anabasis, his translation of St John Perse's Anabase. Each of these sections is accompanied by its own commentary. Finally, pertaining to the entire edition, there is a comprehensive textual history that contains not only variants from all known drafts and the many printings but also extended passages amounting to hundreds of lines of compelling verse.

Life of Shakespeare. Historical sketch of the English drama before Shakespeare. Poems William Shakespeare, Henry Norman Hudson, 1864. *The Variorum Edition of the Poetry of John Donne, Volume 7, Part 2* John Donne, 2021-01-05. Based on an exhaustive study of the manuscripts and printed editions in which these poems have appeared, the eighth in the series of The Variorum Edition of the Poetry of John Donne presents newly edited critical texts of thirteen Divine Poems and details the genealogical history of each poem, accompanied by a thorough prose discussion. Arranged chronologically within sections, the material is organized under the following headings: Dates and Circumstances, General Commentary, Genre, Language, Versification and Style, the Poet, Persona and Themes. The volume also offers a comprehensive digest of general and topical commentary on the Divine Poems from Donne's time through 2012.
