Become A Woman Of Power Releasing Mighty Women Of God:

Conquering Giants in Modern Times Darren Maracin, 2007-10 Maracin examines three specific giants found in the Old Testament the Hittites the Amorites and the Canaanites and reveals how the demonic forces behind them still operate today to oppose the New Testament believer from gaining his or her inheritance in Christ Practical Life Become a Woman of Power Shirley Sustar, 2005 **The Power of a Parent's Blessing** Craig Hill, 2013-04-02 You were created to be God's agent of blessing to your children Blessing is a custom established by God and is meant to function in every family In fact there are seven critical times in each of our lives when God wants to give us a powerful message of identity and destiny In *The Power of a Parent's Blessing* Craig Hill explains each of these times answering key questions such as What is the key identity question to be answered in your child's heart When is the appropriate time to bless What are potential consequences of not blessing What is the role of each parent in blessing at this specific time What are practical tools to use in blessing It is never too late to start your children on the road to fulfilling their destinies Whether you are a parent grandparent or step parent these powerful blessings will help the children in your life to prosper **Seeking the Unseen** Paul H. De Neuvi, 2016-03-15 Buddhism claims no god yet spiritual realities abound in popular practice What are these realities What do they mean to the practitioners How can understanding these realities inform Christ followers seeking to communicate the good news of Jesus in ways that all can understand and relate to In answer to these and other questions SEANET proudly presents its twelfth volume *Seeking the Unseen Spiritual Realities in the Buddhist World* Christian practitioners from thirteen different Buddhist cultures share insights gained from their wideranging experiences and perspectives From Sri Lanka to Japan from China to the Philippines these women and men Asian and Western present on a topic that is often missing in mission literature today And for readers seeking personal insight into the growing spiritual complexities of their own place in the postmodern world lessons from these authors will guide you with practical principles from engaging firsthand cultural encounters Overcoming Spiritual Warfare Chief Apostle Dr. William H. Evans Jr., 2023-02-09 Spiritual Warfare is an inward battle that is a twenty four hour battle within the life of a Christian You will also learn that your children also have spiritual battles that they need your help with As a child of God grows overcoming becomes a personal goal and ensures the believer that they can defeat principalities of all kinds This book will give you the knowledge of how to overcome different types of warfare and to be able to receive the benefits of God's Holy Word You shall be able to do greater things that Jesus Christ said that you will be able to do Anticipate the next publication by Chief Apostle Dr William Evans titled *Living in Your Calling for God* **Chayil** John Eckhardt, 2019-03-05 FROM BEST SELLING AUTHOR OF PRAYERS THAT ROUT DEMONS Influence and power are not just for men The fight was never intended to be man vs woman Both men and women are strong and mighty in the Lord Chayil is a Hebrew word that is connected to strength wealth power influence wisdom and military might and it happens to be the word translated virtuous in Proverbs 31 Since the beginning of time
