**Becoming a Healthy Disciple** Stephen Macchia, 2013-07-30 In **Becoming a Healthy Disciple** Macchia explores the ten traits of a healthy disciple including a vital prayer life evangelistic outreach worship servanthood and stewardship He applies to individual Christians the ten characteristics of a healthy church outlined in his previous book **Becoming a Healthy Church** Discipleship is a lifelong apprenticeship to Jesus Christ the master teacher Using the Book of John Macchia looks to the beloved disciple as an example of a life lived close to Christ Personal experiences as well as the experiences of others bring the traits of discipleship into modern context Each chapter ends with a prayer and questions for reflection and renewal **Becoming a Healthy Disciple** is excellent for laypeople who want to grow in discipleship as well as pastors church leaders adult classes and small groups      *The Discerning Life* Stephen Macchia, 2022-03-15 Spiritual discernment is a key theme in the Scriptures From the Garden when Adam and Eve turned away from the simplest terms of a relationship with God to the Garden when John the Apostle wrote the book of Revelation to a distracted people anticipating eternity discerning God has been the heart of the matter In modern times however we have forgotten the basic premise of practicing a preference for God out of which we then are invited to live for God Instead we have implanted strategic planning head to head battling and will of God knowing in its place In *The Discerning Life* Stephen A Macchia seeks to upend the one eyed and limited Christian understandings of spiritual discernment and invite readers and leaders to reconsider how they prioritize the care of their souls the grace of their communities and the mission of their lives churches and organizations When we have a fuller understanding of how spiritual discernment matters to the whole of our lives we will in turn encourage others to follow likewise and then lean fully into the mission mandate and message of the whole counsel of God      *Growing a Healthy and Faithful Congregation* Rev. Flemmings, 2023-01-24 This book aims to examine the mission and ministry of six mainline churches in Somerset County New Jersey and their efforts to grow healthy and faithful churches while reaching out to families children and youth in the community The six congregations include First Baptist Church Somerville New Jersey

**Managing Conflict God's Way** Richard W. Tow, 2025-08-11 **Managing Conflict God's Way** is more than just a helpful book it s a timely and Spirit led resource that speaks directly to the heart of where so many of us live and lead in the often messy complicated world of human relationships Rooted in Scripture and filled with practical wisdom this book guides and equips pastors and Christian leaders with everyday tools to move beyond avoidance or aggression and toward healing and reconciliation even in life s hardest moments As a former pastor I know how easily unresolved conflict can tear at the fabric of a church break families apart and damage the witness of the gospel That s why this book matters It offers more than just strategies and skills it invites you into a Christ centered way of living and leading grounded in the call to love your neighbor as yourself In today s divided world this book is both a timely and transformative guide a much needed resource for the church I wholeheartedly recommend **Managing Conflict God's Way** to every Christian leader who desires to walk in peace and guide those they lead on the path of a true peacemaker Dr John Battaglia Director of the Doctor of Ministry program Professor of Practical Theology Assemblies of God Theological Seminary The writing is clear thoughtful and grounded in both biblical truth and sound conflict theory It begins with a thorough discussion of Scripture and its mandates for managing relationships and conflict then moves into an extensive exploration of conflict theory principles and strategies While it covers standard topics

in the field it also addresses areas not typically found in conflict texts For example the discussion of interests and satisfaction goes beyond the basics to offer detailed strategies for collaboration Topics such as building trust recognizing boundaries seizing the opportunities of conflict forgiveness and reconciliation confrontational communication and the dangers of demonizing others are all handled with depth and originality supported by Scripture contemporary conflict theory and a rich tapestry of examples drawn from Richard s extensive professional experience in both secular and faith based contexts

**Church** Dr. Stan Mars,2019-09-05 The majority of churches in America are either dying or dead This is due to the sin of disobedience by man through the rejection and refusal to obey the commandments of God especially in John 13 34 35 and Matthew 28 19 20 Jesus commands us to GO into all nations and make disciples and this is an act of love for God and others You will learn that most churches are not in this business so they do not make any disciples and importantly they don t make leaders of disciples Awake and Arise calls for the reformation of the American Church to begin to do God s church God s way If the church will adhere and obey they will find revival offered by God If the church continues to refuse they will find the same experience that the Church of Laodicea found in the spewing out by Jesus Christ To the glory of God let us be humble and pray for forgiveness and move to God for His blessings to begin this journey **ReClaimed Church** Bill

Henard,2018-06-01 It s no secret churches are dying Tragically thousands of churches in the United States are shrinking some closing their doors forever The key to reversing these trends argues Bill Henard is for a local church to recognize where it is in the church life cycle Unless churches intentionally do something about it many of them will follow the same pattern from birth to plateau and eventually to death But if a church learns to identify its place within the life cycle and embraces the necessary processes it can return to growth In a day when church membership has decreased evangelistic zeal has cooled and budgets are disappearing ReClaimed Church is the tool that struggling churches need Having previously written and taught seminary courses on church revitalization Bill Henard uses his expertise to provide all the practical insights and instructions needed to reclaim your church *The Calling of a Part-Time Pastor* Warren Seibert,2016-07-27
