above average in size but Russell made me afraid for my wife I watched as she took turns kissing each of them as Randy continued to work on her I was having second and maybe even third thoughts about my wife being the center of a black gang Randy was the first with my wife spreading her open as Lexi groaned around the man in her mouth and moving her hips to take more of him Using his hands to pin her to the bed Randy set a slow pace as he used her Each time he pulled back he shone with my wife s juices He didn t have time to finish as he was quickly pushed aside Willie was in the same slow pace mood as he thrust himself inside without giving my wife a chance to prepare herself for him She sucked in her breath before whimpering at the sudden intrusion
