Negro **Being a Vindication of the Moral Intellectual and Religious Capabilities of the Coloured Portion of Mankind with Particular Reference to the African Race** Authored by Wilson Armistea      *The Diary* Samuel Pepys, 2019-08-21 T18:40:45Z Pepys Diary is a decade long snapshot of the life of an up and coming naval administrator in mid 17th century London In it he describes everything from battles against the Dutch and the intrigues of court to the plays he saw his marital infidelities and the quality of the meat provided for his supper His incredibly frank observations have proved invaluable in establishing an accurate record of the daily life of the people of London of that period Pepys eventually stopped keeping the diary due to progressive deterioration of his eyesight fearing that continuing to write would worsen the condition He did consider employing an amanuensis to transcribe future entries for him but worried that the content he wanted written would be too personal Luckily for Pepys his eyesight difficulties never progressed to blindness and he was able to go on to become both a Member of Parliament and the President of the Royal Society but he never resumed his diarism After Pepys death he left his large library of books and manuscripts first to his nephew which was then passed on to Magdalene College Cambridge where it survives to this day The diary originally written in a shorthand was included in this trove and was eventually deciphered in the early 19th century and published by Lord Baybrooke in 1825 This early release censored large amounts of the text and it was only in the 1970s that an uncensored version was published Presented here is the 1893 edition which restores the majority of the originally censored content but omits a few passages which cannot possibly be printed The rich collection of endnotes serves to further illustrate the lives of the people Pepys meets and the state of internal politics and international

**The Disciple** Ronald Way,2016-03-30 As strange as it might seem to moderns God is present Jesus did walk amongst us and miracles still occur If you have ever wondered what it was like to live at the time of Jesus prepare yourself you are about to live it through the eyes of someone who was there On a hot California afternoon Ronald Way was struck by a blinding light In that light Jesus appeared and asked if he would give up everything and move away to write a story about a memory that would be awakened from within That journey sent him halfway around the world to the Holy City of Jerusalem and then to the banks of the Nile There he was confronted by a vision that sent him tumbling back 2 000 years to the time of Jesus of Galilee Then in the body of the old man named Asher ben Ammi he was to sit on the roof of his home looking down on the Temple to pen the first gospel ever written about the man he considered to be his friend and the Messiah Jeshua ben Joseph Jesus For two thousand years the contents of that manuscript have remained hidden until now Here then is the story of Asher ben Ammi The Disciple Join the author on a journey back in time as he shares his remembrances of a life long gone but never forgotten
