Beethoven Symphony No 5 For Solo Piano Liszt Transcription:

Beethoven Symphony #5 Arr. for Solo Piano by Franz Liszt Franz Liszt, Ludwig Van Beethoven, Samwise Publishing, 2014-06-18 Beethoven's Symphony Number Five arranged for solo piano by Franz Liszt The name of Beethoven is sacred in art His symphonies are at present universally acknowledged to be master pieces whoever seriously wishes to extend his knowledge or to produce new works can never devote too much reflection and study upon them For this reason every way or manner of making them accessible and popular has a certain merit nor are the rather numerous arrangements published so far without relative merit though for the most part they seem to be of but little intrinsic value for deeper research The poorest lithograph the most faulty translation always gives an idea indefinite though it be of the genius of Michel Angelo of Shakespeare in the most incomplete piano arrangement we recognize here and there the perhaps half effaced traces of the master's inspiration By the development in technique and mechanism which the piano has gained of late it is possible now to attain more and better results than have been attained so far With the immense development of its harmonic power the piano seeks to appropriate more and more all orchestral compositions In the compass of its seven octaves it can with but a few exceptions reproduce all traits all combinations all figurations of the most learned of the deepest tone creations and leaves to the orchestra no other advantages than those of the variety of tone colors and massive effects immense advantages to be sure Such has been my aim in the work I have undertaken and now lay before the musical world I confess that I should have to consider it a rather useless employment of my time if I had but added one more to the numerous hitherto published piano arrangements following in their rut but I consider my time well employed if I have succeeded in transferring to the piano not only the grand outlines of Beethoven's compositions but also all those numerous fine details and smaller traits that so powerfully contribute to the completion of the ensemble My aim has been attained if I stand on the level with the intelligent engraver the conscientious translator who comprehend the spirit of a work and thus contribute to the knowledge of the great masters and to the formation of the sense for the beautiful Rome 1865 F Liszt English translation by C E R Mueller [Baroque Keyboard Masterpieces](#) Paul Negri, 2004-01-01 Great works include Bach's French Suite No 5 Handel's Suite No 5 in E Major Scarlatti's Sonata in D Minor and Sonata in G Minor plus works by Telemann Purcell Rameau and others *Twenty-Three Opera Arias for Sopranos* Henry Edward Krehbiel, Roelof Oostwoud, 2013-06-19 Rich selection spans the dawn of Italian opera through the late 19th century Featured composers include Caccini Rameau Mozart Beethoven Rossini Verdi Bizet and many others **Bach's the Art of Fugue & a Companion to the Art of Fugue** Donald Francis Tovey, András Schiff, Eric Wen, 2013-01-01 Complete score of The Art of Fugue plus extensive commentary features all 14 fugues plus the four canons The commentary outlines the fugues contrapuntal devices and offers keen observations on the composer's craftsmanship **Quartet in G Minor [Musique Imprimée] : Op. 10** Claude Debussy, Maurice Ravel, 1987-01-01 Superb one volume edition of two influential compositions
