Before You Say Yes Before You Say Yes

Peter Moskowitz, Linda Lang

Before You Say Yes Before You Say Yes:

Before You Say Yes Tochukwu Obiekwe, 2014-06-08 The book *Before You Say Yes* is a relationship guide for ladies before they go into marriage Marriage is a lifetime commitment that nobody will like to rush into today and expect to come out tomorrow Therefore it requires a careful understanding of the person you are in relationship with To know your compatibility with him and other things that will make your marriage to him work To get this there are important questions to ask yourself like do I really know and understand him Can you trust your life to him And other potential questions that their answers will guide you in making the right decision

Learning How to Say No When You Usually Say Yes

Maritza Manresa, 2011-09-30 The urge to say yes to please everyone around you can be overwhelming It is not just a matter of being a nice person It can be rooted in your desire to maintain your self image the product of chronically low self esteem It may even be the result of situations in which you feel you will gain from constantly saying yes But the truth in life is that knowing when to say No when you usually say Yes is one of the most fundamentally important things you can do for yourself and for your relationships Forcing others to respect you regardless of your positions and to establish a clear and comfortable persona for yourself rely on this ability This book walks everyone who has ever felt uncomfortable denying something to others through the process of recognizing how you truly feel and tapping into your inner self so that you can relay to others how you truly feel saying no when necessary and yes only when you truly agree or are willing to do something You will learn everything you need to know to recognize what it is about your personality that creates a need to say yes From understanding what it is you want to get out of other people to accepting that you do not need their validation you will learn how to separate your insecurities from what you really think so that you can start telling people how you truly feel Learn how to set priorities and therefore know when it is okay to say yes By understanding the proper time to say yes you will quickly learn how to tell the times when it is not okay and you must say no In various interviews with parents educators psychologists and every day citizens this book provides a complete world view that helps any individual understand what it is about their personality that causes them to consistently say yes when they should not You will ultimately learn what it means to give in and what the psychological results are of making these decisions repeatedly For anyone who has ever found themselves unhappy due to constant willingness to sacrifice their own happiness this book is for you Atlantic Publishing is a small independent publishing company based in Ocala Florida Founded over twenty years ago in the company president's garage Atlantic Publishing has grown to become a renowned resource for non fiction books Today over 450 titles are in print covering subjects such as small business healthy living management finance careers and real estate Atlantic Publishing prides itself on producing award winning high quality manuals that give readers up to date pertinent information real world examples and case studies with expert advice Every book has resources contact information and web sites of the products or companies discussed
