

BAROQUE VISUAL RHETORIC

VERNON HYDE MINOR

Baroque Visual Rhetoric Toronto Italian Studies

Adam Sammut

Baroque Visual Rhetoric Toronto Italian Studies:

Baroque Visual Rhetoric Vernon Hyde Minor, 2016-01-28 Intricate expressive given to grandeur and even excess Baroque art as a style is inseparable from the meanings it seeks to convey Vernon Hyde Minor's Baroque Visual Rhetoric probes this combination of style and message and equally importantly the methodological basis on which the critical art historian comes to establish that meaning Drawing on a breathtaking range of critical literature from the German founders of art history as an academic discipline to Heidegger Derrida and de Man Minor considers the issue through a series of Baroque masterpieces Bernini's Baldacchino in St Peter's Basilica the statues in the church of San Giovanni in Laterano Borromini's church of Sant'Ivo alla Sapienza Baciccio's frescoes in the church of Il Gesu the paintings of Philippe de Champaigne and the Corsini Chapel in San Giovanni in Laterano Rubens and the Dominican Church in Antwerp Adam Sammut, 2023-05-15

This book is about the Dominican church in Antwerp today St Paul's It is structured around three works of art made or procured by Peter Paul Rubens the Fifteen Mysteries of the Rosary cycle in situ Caravaggio's Rosary Madonna Vienna and the Wrath of Christ high altarpiece Lyon Within the artist's lifetime the church and monastery were completely rebuilt creating one of the most spectacular sacred spaces in Northern Europe In this richly illustrated book Adam Sammut reconceptualises early modern churches as theatres of political economy advancing an original approach to cultural production in a time of war Using methodologies at the cutting edge of the humanities the place of St Paul's is restored to the crux of Antwerp's commercial civic and religious life **Architecture and the Language Debate** Nicholas

Temple, 2020-01-28 This book examines the creative exchanges between architects artists and intellectuals from the Early Renaissance to the beginning of the Enlightenment in the forging of relationships between architecture and emerging concepts of language in early modern Italy The study extends across the spectrum of linguistic disputes during this time among members of the clergy humanists philosophers and polymaths on issues of grammar rhetoric philology etymology and epigraphy and how these disputes paralleled and informed important developments in architectural thinking and practice Drawing upon a wealth of primary source material such as humanist tracts philosophical works architectural antiquarian treatises epigraphic philological studies religious sermons and grammaticae the book traces key periods when the emerging field of linguistics in early modern Italy impacted on the theory design and symbolism of buildings **Rhetoric and Drama**

DS Mayfield, 2017-03-06 Proving fruitful in various applications throughout its two millennia of predominance the rhetorical technique appears to have entertained a particularly symbiotic interrelation with drama With contributions from among others a Classicist historical linguistic musicological operatic cultural and literary studies perspective this publication offers interdisciplinary assessments of specific reciprocities between the system of rhetoric and dramatic works tracing the longue durée of this nexus highlighting its Ancient foundations its various Early Modern formations as well as certain configurations enduring to this day enables describing shifting degrees of rhetoricity approaching it from an interdisciplinary viewpoint

facilitates focusing on the often sidelined rhetorical phenomena located beyond the textual plane specifically memoria and actio tackling this interchange from various viewpoints and with diverse emphases a long lasting and highly prolific cross fertilization between drama and rhetoric is rendered visible In tendering a balanced panorama of both detailed case studies and descriptive overviews this volume also points toward terrain yet to be charted in the scholarship to come The volume was prepared in co operation with the ERC Advanced Grant Project Early Modern European Drama and the Cultural Net

DramaNet The Lamb and the Elephant John M. Steadman,1974 Through his plan to share the wealth of his wheat crop with three friends a Chinese farmer teaches the importance of allowing other people to help in time of need *Redefining Eclecticism in Early Modern Bolognese Painting* Daniel Unger,2025-10-01 Redefining Eclecticism in Early Modern Bolognese Painting Ideology Practice and Criticism focuses on the unique nature of early modern Bolognese painting that found its expression in stylistic diversity The flourishing of different stylistic approaches in the Mannerist paintings of the previous generation evolved at the turn the seventeenth century in the work of the Bolognese painters into an approach best described as eclecticism characterized by the combination of two or more styles in a single work of art Eclecticism was a major innovation and major contribution to the history of art But it then also became a critical term that suffered much negative press The book therefore also traces the role of eclecticism as a concept in the evolution of criticism and scholarship about the Bolognese school of painting over 250 years showing how the dramatically vacillating attitudes towards this concept shaped the historical view of the Bolognese painters ultimately having a tremendous dampening impact on our understanding of seventeenth century art **The Ashgate Research Companion to Giorgio Vasari** David J. Cast,2016-04-01 The

Ashgate Research Companion to Giorgio Vasari brings together the world s foremost experts on Vasari as well as up and coming scholars to provide at the 500th anniversary of his birth a comprehensive assessment of the current state of scholarship on this important and still controversial artist and writer The contributors examine the life and work of Vasari as an artist architect courtier academician and as a biographer of artists They also explore his legacy including an analysis of the reception of his work over the last five centuries Among the topics specifically addressed here are an assessment of the current controversy as to how much of Vasari s Lives was actually written by Vasari and explorations of Vasari s relationships with as well as reports about contemporaries including Cellini Michelangelo and Giotto among less familiar names The geographic scope takes in not only Florence the city traditionally privileged in Italian Renaissance art history but also less commonly studied geographical venues such as Siena and Venice *The Human Spirit* Marjorie O'Rourke Boyle,2018-11-01

In this volume Marjorie O'Rourke Boyle probes significant concepts of the human spirit in Western religious culture across more than two millennia from the book of Genesis to early modern science The Human Spirit treats significant interpretations of human nature as religious in political philosophical and physical aspects by tracing its historical subject through the Priestly tradition of the Hebrew Bible and the writings of the apostle Paul among the Corinthians the innovative

theologians Augustine and Aquinas the reformatory theologian Calvin and the natural philosopher and physician William Harvey Boyle analyzes the particular experiences and notions of these influential authors while she contextualizes them in community She shows how they shared a conviction although distinctly understood of the human spirit as endowed by or designed by a divine source of everything animate An original and erudite work that utilizes a rich and varied array of primary source material this volume will be of interest to intellectual and cultural historians of religion philosophy literature and medicine **Lute News** ,2001 **Non contrarii, ma diversi** Autori Vari,2020-10-06T14:39:00+02:00 This book brings together a number of contributions that throw a new light on the history of Jewish communities in late medieval and early modern Italy 15th 18th centuries The different monographic approaches form a homogeneous interpretation of this history a collective and original reflection on the question of Jewish minority in a broader Christian society Both the Christian and the Jewish sides are taken into consideration and an important number of chapters consider concrete situations Jewish texts and authors very rarely studied in the research on Jewish Christian relation

Ignite the flame of optimism with is motivational masterpiece, Find Positivity in **Baroque Visual Rhetoric Toronto Italian Studies** .
