Bartender Cocktail Guide:

A Bartender's Guide to the World Lauren Mote, James O. Fraioli, 2022-10-25 Transport your glass around the globe with more than 75 cocktail recipes from one of the world's premier bartenders. Grab your glass and let's go. For over 20 years, Lauren Mote has tended bars and traveled the world, often as one of the only women in a male-dominated industry. She's developed cocktail recipes, sought out new ingredients, and gathered stories along the way. Now in her first book, Lauren is inviting readers and home bartenders to pack their suitcases and come with her on an international cocktail adventure. Few bartenders can match Lauren's encyclopedic knowledge of spirits, liqueurs, and tinctures, not to mention her originality for blending them into a perfectly balanced drink. Once you've gotten a handle on the basics of bartending and gathered your cocktail shaker along with a few other pieces of equipment, you'll be raising your glass in no time. The recipes are organized by their star ingredients, such as agave, gin, whiskey, rum, vodka, and more. Every drink is given its own designation of standard, mid, low, or zero proof, and you'll find a whole chapter on nonalcoholic cocktails because Lauren feels strongly that all drinks should be prepared with care, whether they include alcohol or not. Once you've narrowed down the base that you're in the mood for, let Lauren's magnetic storytelling and gift of the gab continue to guide you. In each chapter, you'll find a collection of Mise en Place Recipes to help you build up your bar's basic ingredients and make Lauren's techniques your own. With beautiful storytelling and photography and cocktail recipes you won't find elsewhere, *A Bartender's Guide to the World* is as much a pleasure to read as it is to imbibe from. *Steve the Bartender's Cocktail Guide* Steven Roennfeldt, 2022-11-15 Craft delightful drinks at home and impress your guests with your newfound bartending expertise. Thomas is considered the father of American mixology.

In 1851 at the age of 21 he opened his first bar below Barnum's American Museum in New York City. After that he worked as the head bartender at hotels and bars throughout the US. He also visited Europe. Jerry Thomas was well known for his showmanship and fancy style of mixing cocktails. At some point he was among the most famous citizens of New York City. In 1862 Jerry Thomas finished his work *Bar Tender's Guide*, probably the first book of its kind ever published in the US. It contained a collection of traditional recipes as well as some of his own creations. The present book is a reprint of the updated edition of the *Bar Tender's Guide* which has been published in 1887 two years after his early death.

The Joy of Mixology, Revised and Updated Edition Gary Regan, 2018-08-28 A thoroughly updated edition of the 2003 classic that home and professional bartenders alike refer to as their cocktail bible. Gary Regan, the most read cocktail expert around, has revised his original tome for the 15th anniversary with new material, many more cocktail recipes including smart revisions to the originals, and fascinating information on the drink making revival that has popped up in the past decade, confirming once again that this is the only cocktail reference you need. A prolific writer on all things cocktails, Gary Regan and his books have been a huge influence on mixologists and bartenders in America. This brand new edition fills in the gaps since the book first published, incorporating Regan's special insight on the cocktail revolution from 2000 to the present and a complete overhaul of the recipe section. With Regan's renowned system for categorizing drinks, it helps bartenders not only to remember drink recipes but also to invent their own. *The Joy of Mixology, Revised and Updated Edition* is the original drinks book for both professionals and amateurs alike.
