So, even if the camera is facing Regina and you want her to go to her right, press **→**. This is very important to remember when a blood-thirsty Raptor is chasing you around a corner; if you bump the corner and get stuck, you're in serious trouble.

Running is simple; hold **■** while using the D-pad as described earlier to control Regina's direction. With all the fast and dangerous dinosaurs you'll face, running at all times is a habit you should develop.
