Better A Surgeons Notes On Performance:

Better Atul Gawande, 2010-07-09 The struggle to perform well is universal but nowhere is this drive to do better more important than in medicine In his new book Atul Gawande explores how doctors strive to close the gap between best intentions and best performance in the face of obstacles that sometimes seem insurmountable His vivid stories take us to battlefield surgical tents in Iraq to a polio outbreak in India and to malpractice courtrooms around the country He discusses the ethical dilemmas of doctors participation in lethal injections examines the influence of money on modern medicine and recounts the astoundingly contentious history of hand washing Finally he gives a brutally honest insight into life as a practising surgeon Unflinching but compassionate Gawande s investigation into medical professionals and their progression from good to great provides a detailed blueprint for success that can be used by everyone **Better** Atul

Gawande, 2007-04-03 The bestselling author of *Complications* fascinating examination of how medical professionals strive for better even in the face of adversity *Better* Atul Gawande, 2008-01-22 National Bestseller The struggle to perform well is

universal each of us faces fatigue limited resources and imperfect abilities in whatever we do But nowhere is this drive to do better more important than in medicine where lives may be on the line with any decision Atul Gawande the New York Times bestselling author of *Complications* examines in riveting accounts of medical failure and triumph how success is achieved in this complex and risk filled profession At once unflinching and compassionate *Better* is an exhilarating journey narrated by arguably the best nonfiction doctor writer around Salon com **The Novice Advantage** Jonathan Eckert, 2016-04-06

Capture the novice mindset Get ready to teach as never before powered by a fresh brave mindset With humor and insight this down to earth guide reveals a fundamental principle the best teachers grow through risk reflection and revision Readers will learn how to Sustain the energy and positive qualities of a novice while building expertise at all career stages Develop a network of support to improve teaching practice Implement new strategies that engage and motivate students Learn how to teach with the daring of a beginner and a lifelong passion for learning and growth Dr Eckert highlights the value of seeking those first days throughout our careers the joy and nervousness experienced in these transformational moments are critical to have again and again if we are to grow personally and professionally Patrick Ledesma Director of Research and Knowledge Management National Board for Professional Teaching Standards **Complications in Surgery** Michael W.

Mulholland, Gerard M. Doherty, 2012-11-13 *Complications in Surgery* Second Edition offers authoritative recommendations for preventing and managing complications in all current general surgery procedures The opening sections discuss institutional risk management issues and risks common to all operations such as wound healing problems infection shock and complications in immunosuppressed patients Subsequent sections focus on complications of specific procedures in thoracic vascular gastric endocrine breast and oncologic surgery as well as organ transplantation and pediatric surgery This edition includes new information on surgical quality assessment and patient safety and updated information in the organ specific
