Martin Parr, 2016 First published in 2000 this revised edition includes a large number of new images and shows the remarkable shift from analogue to digital photography that has taken place over the period The book also features a playable labyrinth puzzle on the front cover **Martin Parr** Martin Parr, 2000 An unusual and hilarious collection of photographs not by but of Martin Parr For several years now when Parr has travelled on assignment he has wherever possible had his picture taken by a local studio photographer or street photographer or in a photo booth The result is a wonderfully varied portfolio of portraits ranging from elaborate studio sets reminiscent of the heyday of the Victorian studio photographer through to digitally manipulated images of Parr as Mr Universe Includes 42 full colour plates **Martin Parr** Val Williams, 2014-05-26 The only complete career monograph updated and expanded **Martin Parr** Sandra S.
