The 2011 Guide to Free Or Nearly-Free E-Books, 2011 One of the problems which face all librarians adding e books to their collections is that of bibliographic control there is no legal deposit for e books and consequently there is no single place from which new titles can be found If this is true of commercially published e books it is most certainly also true of free e books and there are many thousands of free e books available over the Internet many of which are of a quality such that librarians might wish to have

them in their collections The 2011 Guide to Free or Nearly Free e Books is offered as a tool for librarians and others involved in book selection e g teachers in schools in all sectors school further and higher education public and special libraries to facilitate easy access to free e books and e book collections which can enhance their digital library *Free* Chris Anderson,2009-06-22 The online economy offers challenges to traditional businesses as well as incredible opportunities Chris Anderson makes the compelling case that in many instances businesses can succeed best by giving away more than they charge for Known as Freemium this combination of free and paid is emerging as one of the most powerful digital business models In *Free* Chris Anderson explores this radical idea for the new global economy and demonstrates how it can be harnessed for the benefit of consumers and businesses alike In the twenty first century *Free* is more than just a promotional gimmick It s a business strategy that is essential to a company s successful future **Marketing Management MCQ**
