sinister plan to defeat them What Willow hasn't told Alex is that there was also a mysterious boy in her dream one she felt overpoweringly attracted to When brooding gorgeous Seb shows up in the flesh he turns out to be another possibly the world's only other half angel He's been searching for Willow all his life and when Alex enlists this rival to help keep Willow safe he can't predict what chemistry will pass between them or how far Willow might go to keep Alex safe Will their love endure or spell doomsday for the human race

An Angel's Demise Sue Nyathi, 2022-10-17 Winner of the 2023 NIHSS Best Fiction Novel Award A gripping saga of identity love and betrayal set against the turbulent backdrop of Zimbabwe's liberation struggle An Angel's Demise is an epic tale that explores a contested legacy and the heartrending destiny of a family The story begins in 1977 on a farm in Somabhula with the birth of Angel The farm is run by Paul Williams an outwardly harsh and bigoted man who holds the livelihoods of many in his hands When Angel's parents join the liberation struggle she is left in the care of her grandmothers who have been in service to the Williams family for generations Angel grows up on the farm over three momentous decades that see a convoluted past and inheritance unfold into an equally complicated present Through her we witness a woman's quest to unearth her identity and assert her independence In the process of self discovery Angel realizes that sometimes you need to be uprooted before you can grow Sue Nyathi's fourth novel is a gripping story infused with spirituality It recounts an explosive tale of love war bloody massacre and betrayal that encompasses a harrowing history the cruel caprice of politics gender based violence and what happens when ordinary people get caught up in lies An Angel's Demise is a thought provoking page turner that will resonate long after the final page
