

Animal Control Management Animal Control Management

R Bogdan

Animal Control Management Animal Control Management:

Animal Control Management Stephen Aronson,2010 This book is the first of its kind to discuss in detail the actual management of local animal control programs as opposed to the care of the animals It covers financial personnel legal health and safety issues that animal control directors and management staff need to know in providing direction and oversight of animal control programs Chapters examine selected topics in which the author assesses strengths and weaknesses and offers new insights and strategies for more effective management For example the two chapters on contracting discuss the steps in the process strategies and suggested provisions in the written agreement to make the program more effective The animal law chapters explain the basis for the laws and highlight those provisions that if enacted into law can strengthen enforcement options In addition the author discusses and assesses interacting with the public and the media liability issues wildlife problems and the politics of animal control
