Authentic Fire Michael L. Brown, 2015 In response to Pastor John MacArthur's call for a collective war against charismatics Dr Michael Brown has called for unity in Jesus based on a return to the truth of the Scriptures in the fullness of the Spirit As a charismatic biblical scholar and theologian Dr Brown responds to Pastor MacArthur's charges making a biblical case for the continuation of the New Testament gifts of the Spirit and demonstrating the unique contribution to missions theology and worship made by the charismatic Church worldwide He calls for an appreciation of the unique strengths and weaknesses of both cessationists and charismatics inviting readers to experience God afresh and he demonstrates how charismatic leaders have been addressing abuses within their own movement for decades Dr Brown speaks on behalf of millions who are not adequately trained to express in writing their own encounters with the supernatural power of God David Ravenhill I thank God for this biblically robust pastorally sensitive historically informed and graciously articulated account of the work of the Holy Spirit in the church of Jesus Christ Sam Storms Dr Michael Brown's *Authentic Fire* puts the brakes on John MacArthur's crusade against charismatics with irrefutable logic extraordinary insight Christ like graciousness and an undisputable handling of Scripture Frank Viola Michael Brown writes with clarity and courtesy as he confronts one of the most explosive issues among all those who uphold the Bible as the plumb line of truth David Shibley

**Theologizing in the Radical Middle** Ryun H. Chang, 2018-09-17 This book doesn't endorse any systematic theology rather it's about how we theologize Why do two equally trained theologians studying the same book and loving the same Lord arrive at such different conclusions This theological disagreement at times becoming personal spills over from the academia to seminaries and churches And if history is any indicator this always weakens the unity of the church Who needs unity when correct doctrines are at stake right But is the defense of all doctrines worth foregoing the unity of the church despite Jesus prayer that they may be one even as we are one At bottom our theological contentiousness stems from not recognizing that the way biblical revelation is framed is not designed to be handled the way seminaries typically do Regardless we strive for the rightness of our tidy theology even disowning those who disagree while doing so The disavowal of continuationists by the *Strange Fire* crowd is the most recent instance in a long line of placing doctrinal purity over the unity of the body This book

uncovers how Scripture is really structured and how therefore we need to theologize differently so that we may grow spiritually in Word and Spirit      Strangers to Fire Robert Graves,2016-11-01 This is an anthology of 35 essays edited by Robert W Graves President of The Foundation for Pentecostal Scholarship written by 26 authors of the Pentecostal Charismatic and Third Wave movements or non cessationists of traditional denominations responding to John F MacArthur's Strange Fire or cessationism and the abuse of the charismata in general Foreword by J Lee Grady Authors include Wayne Grudem Jack Deere Craig Keener Jon Ruthven Sam Storms Doug Oss Mel Robeck Paul Elbert Randy Clark Robert Menzies J P Moreland Gary Greig Mark Rutland Gary Shogren William De Arteaga William K Kay and Melvin Hodges      A Study in the Gifts of the Holy Spirit Steve Regnault,2018-05-09 Are the miraculous gifts of the Holy Spirit still available to individuals in the church today This question often the centre of controversy and debate carries enormous weight for Christians If the gifts of the Holy Spirit have ceased then many believers around the world are being deceived On the other hand if the gifts are still available numerous Christians may be missing out on all God wants to accomplish in and through their lives simply because they don't believe in the gifts available to them Sadly many false teachings have been promoted on both sides of this question It's essential for Christians to study what the Word of God has to say about the gifts of the Holy Spirit and think carefully about the role of those gifts in their own lives Steve Regnault provides a thorough straightforward survey of relevant biblical passages that will enlighten readers and reveal the scriptural basis for the proper use of the spiritual gifts A Study in the Gifts of the Holy Spirit will be a valuable addition to the libraries of clergy and laity alike For personal use or group Bible study this is a book that will strengthen and inspire readers in their spiritual walk with God      *Playing With Holy Fire* Michael L. Brown,2018-04-03 Over the last hundred plus years the Pentecostal Charismatic church has witnessed miraculous conversions From the Azusa Street Revival which began in 1906 a movement has grown to bring more people to Jesus than any other movement in history While secularism continues to be on the rise in today's society many areas of the world still experience church growth thanks to Pentecostal Charismatic Christians But the Pentecostal Charismatic church is also plagued with sexual immorality financial corruption doctrinal error personal flakiness spiritual gullibility prophetic abuse and more In many ways the state of the church today is not too different from how it was long ago in Corinth To make matters worse the church hides these acts under the cloak of liberty in the Holy Spirit Michael Brown sounds a wake up call to the church and addresses some of the most glaring problems from inaccurate prophetic words that obscure true ones to ministries using scripturally armed marketing techniques in order to manipulate believers into giving Brown shows us why we must clean up house so the church can grow flourish and fulfill God's kingdom purposes      **Cooperating with the Holy Spirit** Rev. Dr. Suzanne Nicholson,2025-02-11 God has a habit of showing up in unexpected places On February 8 2023 the Holy Spirit suddenly and powerfully poured forth on students lingering after chapel at Asbury University located in the small town of Wilmore Kentucky population 6 000 For the next sixteen days more than 50 000 pilgrims from around the world

flocked to experience God's sweet gentle presence in Hughes Auditorium. Many sought counsel, confessed patterns of addiction and sin, and sought to reorient their lives toward God in the context of vibrant 24-hour worship. As the Outpouring overflowed to other venues, the Asbury community, its faculty, staff, administrators, students, and community members worked together to steward this amazing movement of God. While other sustained revivals have happened throughout human history, despite its humble beginnings, this event grew exponentially because of social media and national and international news coverage. Cooperating with the Holy Spirit recounts the events of the Outpouring; section 1 offers biblical, historical, and theological reflections on revivals; section 2 provides practical insights for addressing the challenges that arise when God moves in powerful ways among his people; section 3

**Ford's The Modern Theologians** Rachel Muers, Ashley Cocksworth, 2024-02-21. Captures the multiple voices of Christian theology in a diverse and interconnected world through in-depth studies of representative figures and overviews of key movements. Providing an unparalleled overview of the subject, *The Modern Theologians* provides an indispensable guide to the diverse approaches and perspectives within Christian theology from the early twentieth century to the present. Each chapter is written by a leading scholar and explores the development and trajectory of modern theology while presenting critical accounts of a broad range of relevant topics and representative thinkers. The fourth edition of *The Modern Theologians* is fully updated to provide readers with a clear picture of the broad spectrum and core concerns of modern Christian theology worldwide. It offers new perspectives on key twentieth-century figures and movements from different geographical and ecclesial contexts. There are expanded sections on theological dialogue with non-Christian traditions and on Christian theology's engagement with the arts and sciences. A new section explores theological responses to urgent global challenges such as nationalism, racism, and the environmental crisis. Providing the next generation of theologians with the tools needed to take theological conversations forward, *The Modern Theologians* explores Christian theology's engagement with multiple ways of knowing across diverse approaches and traditions. Combines introductions to key modern theologians and coverage of the major movements within contemporary theology. Identifies common dynamics found across theologies to enable cross-contextual comparisons. Positions individual theologians in geographical regions, trans-local movements, and ecclesial contexts. Features new and revised chapters written by experts in particular movements, topics, and individuals. Providing in-depth critical evaluation and extensive references to further readings and research. Ford's *The Modern Theologians: An Introduction to Christian Theology since 1918*, Fourth Edition, remains an ideal textbook for undergraduate and graduate courses in Theology and Religious Studies, such as Introduction to Christian Theology, Systematic Theology, Modern Theology, and Modern Theologians. It is also an invaluable resource for researchers, those involved in various forms of Christian ministry, teachers of religious studies, and general readers engaged in independent study.

*Modernity and the Rise of the Pocket God* Jonathan J. Mize, 2021-08-16. *Modernity and the Rise of the Pocket God* explores the relationship between modern religion and ancient values. Journey through the

bucolic fields of the ancient villager en route to the concrete jungles and splendid skylines of the modern city goer See what wedded the ancient believer to his God and his fellow believers Then glimpse the growing chasm between the modern believer her society and her Father And in the end see what us modern folks can do to attain an ancient like communion with the Lord     Tongues on Fire R.L. Pich,2024-10-09 Tongues on Fire is written for those who are interested in or confused about the current tongues phenomenon sweeping through the church today Many believe it is a manifestation of the Holy Spirit promised as the age draws to a close Others are not so sure Is there a special prayer language given to believers from the Holy Spirit for us to speak to God Is speaking or praying in tongues a sign of true spiritual endowment available to all believers Is it possible that by not embracing this experience one might miss out on something God wants for His people Confusion and uncertainty regarding this important and increasingly pervasive subject can perplex even the most seasoned believer In Tongues on Fire R L Pich will examine the history and Biblical teaching regarding the gift of tongues and will investigate whether the modern tongues movement is from God or a product of misunderstanding or worse It is a must read for anyone interested in developing a biblical understanding of this spiritual gift
