MY AUTOBIOGRAPHY

I am Alea Mae D. Benitez, I was born on May 7, 2000 in Pasay City, Philippines. We are two siblings in the family, I am the second child. My mother's name is Divina D. Benitez from Sorsogon, Bicol. My father's name is Nelson D. Benitez. And he is from Camarines Sur, Bicol.

During weekends, we usually spend our days in the family. We always go to church. We helped each other in our activities. My family was a happy and loving family. I had a happy childhood living with my parents and my siblings. I completed my elementary education at Don Carlos V. Benitez Elementary School. During my junior high school, I completed my junior high school at President Corazon Aquino National High School and I usually spend my time with my friends. Since the lockdown, I have a daily routine with my friend for a Google meet until dawn, and we do various things when we do, such as talk about what is going on in our lives and watch movies that have been shown several times. We have been watched pitch perfect all seasons. I finished it several times. When I am not with them, I watch shows like Mr. Queen and Ghost Doctor. And I am a senior at Pasay City South High School, I work hard on everything I can to get into a good university where I can attend college.

Autobiographies For 6th Graders

Keen J. Babbage

Autobiographies For 6th Graders:

Sixth Grade Success Susan Mackey Collins,2011-05 Capture the adventure students feel as they advance to a new grade level encounter new concepts and master new skills These motivating activities cover language arts math science and social studies A bonus section at the end of each book provides a jump start to the next grade level with a selection of language arts and math activities

The Power of Middle School Keen J. Babbage,2012-09-14 The middle school years are a maze of academic duties human growth and self development discovering self identity and increasing social interaction with other people This maze can be an adventure of achievement and opportunity or it can be a struggle of difficulty and disappointment As these experiences are the impetus or foundation for many later achievements in academics careers and personal life it is imperative that educators maximize these formative years by helping middle school students successfully travel through this maze despite its ups and downs its twists and turns and its new challenges to master and the old issues to resolve For instance educators must support students who have fallen behind so as to thwart their reduced likelihood of turnaround in high school Likewise educators must challenge exceptional students in order to perpetuate their enthusiasm for learning and prepare them for college studies By discussing the comprehensive roles and duties of school administrators counselors and teachers *The Power of Middle School* addresses how to maximize middle school curriculum and extra curricular activities for the academic personal and professional benefits of all students

Supporting Reading in Grades 6-12 Sybil M.

Farwell,Nancy L. Teger,2012-06-11 This book presents a curricular framework for students grades 6 12 that school librarians and teachers can use collaboratively to enhance reading skill development promote literature appreciation and motivate young people to incorporate reading into their lives beyond the required schoolwork *Supporting Reading Grades 6 12 A Guide* addresses head on the disturbing trend of declining leisure reading among students and demonstrates how school librarians can contribute to the development of lifelong reading habits as well as improve students motivation and test scores The book provides a comprehensive framework for achieving this the READS curriculum which stands for Read as a personal activity Explore characteristics history and awards of creative works Analyze structure and aesthetic features of creative works Develop a literary based product and Score reading progress Each of these five components is explained thoroughly describing how school librarians can encourage students to read as individuals in groups and as school communities support classroom teachers instruction and connect students to today s constantly evolving technologies Used in combination with an inquiry information skills model the READS curriculum enables school librarians to deliver a dynamic balanced library program that addresses AASL s Standards for the 21st Century Learner
