Behind Sexy Heather Dahlgren:

Saving His Soul Dawn Sullivan, 2016-09-19 Ryder Caldwell's dreams of love died years ago along with his heart. He had his family and his ranch that was all he needed, all he wanted. Until she arrived brandishing a badge and carrying a gun. Rayna Williams had spent most of her life in fear, hiding from the man who murdered her family and tragically tore her world apart. Now a federal agent, Rayna is not the terrified teenager she once was. She is ready to stand and fight. When Rayna goes undercover in the small town of Serenity Springs, she hopes to draw her nightmare to her, but even the most carefully laid plans can go horribly wrong. Now Ryder and Rayna are in a fight for their lives, one they may not win. Behind the Book Heather Dahlgren, 2016-12-07 London Tweed will protect herself at all costs, even if it endangers her heart. London has achieved a thriving writing career, but her social life could use some work. She doesn't have many friends and can't even remember the last time she went on a date. If only the memories of her previous relationship would let her enjoy a little of the success she's earned. London fears she's lost the ability to feel anything until she meets the cover model for her new book. Blake Foster is proud of his career and his reputation. Blake is a model who loves the ladies as much as they love him. He's got great friends, a successful career, and definitely no lonely nights. He can't understand why anyone would want to settle down. Then London Tweed chooses him to be on her next book cover and invites him to attend a signing with her. He has a great time at the event and makes it his mission to get London to loosen up. Temptation has never felt so right. When the after-party gets out of hand, London finally lets the walls around her heart down and starts to have fun again. All thanks to Blake. She wants to take a chance on him, but the fear of everything she left behind still follows her. Can the past stay in the past? Blake's ready to give up his playboy lifestyle for London, but can he convince her that his love is stronger than the world around them? Judging a book by its cover may not be fair, especially when you don't know what's going on. Behind the Book
