

A close-up portrait of a man with dark hair and intense blue eyes, looking directly at the camera. The image serves as the background for the text.

BELIEVER BEWARE

**FIRST-PERSON DISPATCHES
FROM THE MARGINS OF FAITH**

**Selected by Jeff Sharlet, Peter Manseau,
& the Editors of Killing The Buddha**

Believer Beware First Person Dispatches From The Margins Of Faith

Jeff Sharlet

Believer Beware First Person Dispatches From The Margins Of Faith:

Believer, Beware Jeff Sharlet, Peter Manseau, 2009-07-01 A Killing the Buddha Anthology The second collection to spring from KillingTheBuddha.com Believer Beware presents true tales of sex ed in Catholic school, witches in Kansas, sects and the city, Buddhists in the barbershop, Sufis under your nose, an adolescent Jewish messiah in Queens, and more. In a world riven by absolute convictions, these ambivalent confessions, skeptical testimonies, and personal revelations speak to the subtler and stranger dilemmas of faith and doubt, of religion lost and found and lost again. **A River Runs Again** Meera

Subramanian, 2015-08-25 Crowded, hot, subject to violent swings in climate with a government unable or unwilling to face the most vital challenges, the rich and poor increasingly living in worlds apart, for most of the world, this picture is of a possible future. For India, it is the very real present. In this lyrical exploration of life, loss, and survival, Meera Subramanian travels in search of the ordinary people and microenterprises determined to revive India's ravaged natural world. An engineer turned farmer brings organic food to Indian plates; villagers resuscitate a river run dry; cook stove designers persist on the quest for a smokeless fire; biologists bring vultures back from the brink of extinction; and in Bihar, one of India's most impoverished states, a bold young woman teaches adolescents the fundamentals of sexual health. While investigating these five environmental challenges, Subramanian discovers the stories that renew hope for a nation with the potential to lead India and the planet into a sustainable and prosperous future. The Maiden of All Our Desires Peter Manseau, 2022-02-15

For fans of Lauren Groff, Maggie O'Farrell, and Emma Donoghue, a devastating novel of love, intrigue, and community in a time of sickness that remade the world. Fourteenth-century Europe: The Black Death has killed half the known world, and in an isolated convent, a small group of nuns spends their days in work, austerity, and devotion, chanting the Liturgy of the Hours. But their community is threatened. Rumors of heresy and a scandalous Book of Ursula, based on the teachings of the charismatic former abbess and founder of the order, have prompted the male church hierarchy to launch an investigation. The priest assigned to minister to the nuns, Father Francis, who is wracked by guilt for an unspeakable crime committed during the lawless plague years, was no friend of Ursula and can't be counted on to defend the order. Disrespect and rebellion infect some novices, and the youngest among them pines for the bishop's chief inquisitor. And Mother John, the convent's aging spiritual leader, fears she's losing her mind after experiencing a vision that brings back her own rebellious past. As events unfold over the course of a single day, a blizzard that has swept across Europe will break over the convent, endangering the women there and testing their faith. In this astonishing novel, the author of the award-winning *Songs for the Butcher's Daughter* explores the territory between faith and freedom and how the horrific events of history shape individual lives.

Saints As They Really Are Michael Plekon, 2012-05-15 In his new book *Saints As They Really Are*, priest and scholar Michael Plekon traces the spiritual journeys of several American Christians using their memoirs and other writings. These saints in the making show all their doubts and imperfections as they reflect on their search for God and their efforts to lead

holy lives They are gifted yet ordinary women and men trying to follow Christ within their flawed and broken humanity saints as they really are as Dorothy Day put it Saints As They Really Are is the third book in Plekon s critically acclaimed series on saints and holiness in our time He draws on the autobiographical work of Dorothy Day Peter Berger Thomas Merton Kathleen Norris and Barbara Brown Taylor among others as well as from his own experiences as a Carmelite seminarian and brother Plekon shares the power of these individuals stories as they unfold The book offers a strong argument that our failings and weaknesses are not disqualifications to holiness Plekon further confronts the institutional church and its relationship to individuals seeking God focusing on some of the challenges to this search the destructive potential of religion and religious institutions as well as our personal tendencies to extremism overwork pious obsessions and legalism But he also underscores the healing qualities of faith and the spiritual life Plekon s insights will help readers better understand their own spiritual pilgrimages as they learn how others have dealt with the trials and joys of their path to everyday holiness **Sweet Heaven**

When I Die Jeff Sharlet, 2012-09-10 A master investigative stylist and one of the shrewdest commentators on religion s underexplored realms Michael Washburn Washington Post In this gorgeous collection of essays that has drawn comparisons to the work of Joan Didion John McPhee and Norman Mailer best selling author Jeff Sharlet reports back from the far reaches of belief whether in the clear mountain air of Sweet Fuck All Colorado or in a midnight congregation of anarchists celebrating a victory over police Like movements in a complex piece of music Sharlet s dispatches vibrate with all the madness and beauty the melancholy and aspirations for transcendence of American life *The Writers Directory* ,2013

Library Journal ,2009 *New York Times Saturday Book Review Supplement* ,1968 *New York Times Saturday Review of Books and Art* ,1968 **The Anonymous Witness** Anonymous Christian, 2009-10 It was on an otherwise uneventful Sunday morning in early Spring when the minister of a small Methodist church in Appalachia provided a sermon based on the 23rd Psalm of the Holy Bible He reminded his meager congregation that they should not fear the act of witnessing for Jesus Christ even if it takes them into the proverbial Valley of Darkness Little did the pastor realize that his routine sermon would result in the book that you now hold in your hands a revolutionary approach not only to witnessing but to modern day Christianity itself As a curious reader you will soon recognize why this manifesto was written anonymously and you may even come to the conclusion that you too can be considered an Anonymous Witness

The Enigmatic Realm of **Believer Beware First Person Dispatches From The Margins Of Faith**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic.
