**The Key to Everything** Margaret A. Brucia, 2025-07-08 One of the most important and original poets of the twentieth century May Swenson 1913 1989 was born in Utah to Swedish immigrant parents After graduating from Utah

State University and working briefly as a reporter she moved to New York City in the mid 1930s and began her life as a poet. She took various office jobs to support herself including time with the Federal Writers Project and later as a manuscript reader for New Directions in the 1950s. Swenson went on to publish seven collections of poetry with several more collections published posthumously and three poetry books for children. Swenson's work is often compared to the poetry of E. E. Cummings and Elizabeth Bishop with whom Swenson corresponded for decades. Her many awards include the Shelley Memorial Award, the Bollingen Prize, and the Award in Literature from the National Institute of Arts and Letters. She was a Chancellor of the Academy of American Poets from 1980 to 1989. This book provides an account of Swenson's life that draws on her extensive diaries which have never been made available to the public. The narrative concentrates on Swenson's life from 1935 to 1959, a period that encompasses her departure from Utah, her personal and professional struggles before her first breakthrough publications, and her early years of literary success. The poet expresses her anxieties and aspirations as she experiments with her sexuality, extricates herself from a sheltered Mormon upbringing, and begins a new life in New York at the height of the Depression. The author traces Swenson's struggles with poverty, anonymity, and predatory men, her romantic relationships primarily with women, the people she met, books she read, and the work she produced, offering a unique portrait of the times, the place, and a poet who resisted labels throughout her life. **August Wilson** Harold Bloom, 2009

Presents ten critical essays on the writings of twentieth-century American playwright August Wilson and includes a chronology of his life, a bibliography, and an introduction by Harold Bloom. **New Books on Women and Feminism**, 2007
