Victory Undone Carter Andress, Malcolm McConnell, 2014-10-20 Here is a dramatic first person account of how the United States won the war in Iraq only to see the peace lost by an unengaged administration with Iraqis terrorized and the new caliph of ISIS promising I'll see you in New York. Military contractor Carter Andress was the ultimate boots on the ground civilian in Iraq. While reporters, aid workers, diplomats and even U.S. soldiers were often cut off from the ground truth in Iraq by the blast walls protecting the Green Zone and our bases, Andress was in the thick of things driving through insurgent-infested territory, negotiating with hostile tribes and witnessing the transformation of Iraq from chaos and violence to a stable multi-ethnic multi-sectarian democracy that needed only minimal American support to defend itself. Support, however, that thanks to the Obama administration was not forthcoming. A page turner of a story but also an incredibly important account of what actually happened in the Iraq War and afterwards. **Victory Undone** is a book every American needs to read.
