

Alexander Hamilton Writings Library Of America

Charles Lemert

Alexander Hamilton Writings Library Of America:

The Essential Hamilton: Letters & Other Writings Alexander Hamilton, 2017-05-23 Go beyond Lin Manuel Miranda's Hamilton and get to know the real Alexander Hamilton in this Library of America collection of the Founding Father's own public and private writings. A brash immigrant who rose to become George Washington's right hand man. A fierce partisan whose nationalist vision made him Thomas Jefferson's bitter rival. An unfaithful husband whose commitment to personal honor brought his life to a tragic early end. The amazing success of Lin Manuel Miranda's musical Hamilton has stoked an extraordinary resurgence of interest in Alexander Hamilton, the brilliant and divisive founder who profoundly shaped the American republic. Now Library of America presents an unrivaled portrait of Hamilton in his own words, charting his meteoric rise, his controversial tenure as treasury secretary, and his scandalous final years, all culminating in his infamous duel with Aaron Burr. Selected and introduced by acclaimed historian Joanne B. Freeman, *The Essential Hamilton* is a reader's edition of the Founding Father's public writings and private letters, plus the correspondence between Burr and Hamilton that led to their duel and two conflicting eyewitness accounts of their fatal encounter. *Alexander Hamilton: Writings (LOA #129)* Alexander Hamilton, 2001-10-15 The great American founding father speaks from the past in his own voice through 170 letters, speeches, essays, reports, and other documents. **Americans Thinking America** Charles Lemert, 2025-01-31 In this dynamic book, Charles Lemert elaborates a vigorous, distinctive, and creative American tradition in social thought. American social theory has tended to be overshadowed by European social thought. Yet looking deeper, Americans have always made important contributions to social theory. Drawing upon the work of a dazzling array of both seminal and unjustly overlooked philosophers, sociologists, litterateurs, and political activists, Lemert constructs a coherent yet variegated intellectual framework for understanding American social theory and culture from the colonial era to the present. In doing so, Lemert analyses American intellectual attitudes on race, gender, popular culture, political thought, capitalism, and social movements, while also exploring schools of thought from transcendentalism and pragmatism to interactionism and intersectionality. In his inimitable style, Charles Lemert, a master of finding theory where you'd least expect it, offers a masterful rendering of the American tradition in social theory. In doing so, Lemert shines new light on social theory and American history. Both authoritative and accessible, this indispensable work will be essential reading for students, scholars, and general readers with interests in social theory and American social history. Alexander Hamilton Christina G. Villegas, 2018-05-10 An indispensable resource for all readers, this book summarizes the founding of America alongside the personal and public life of one of America's most influential Founders through a comprehensive investigation of Hamilton's extensive writings. A product of extremely humble birth, Alexander Hamilton rose to become one of America's leading political figures, helping to determine the direction of nearly all of the seminal events of the founding of the country. The author introduces, provides notes on, and critically evaluates approximately 60 key documents that Hamilton wrote from his youth in the Caribbean through his

leadership of the Federalist Party in the 1800s In examining these writings the book covers important periods of American history including the American Revolution the ratification of the Constitution the formation of the nation s first financial system and the establishment of political parties This book is a valuable resource for anyone who wants to study the key moments of the revolutionary and founding periods of America through the life and legacy of one of the country s most eminent statesmen The work concludes with a chronology that provides historical context for the most significant personal and political events in Hamilton s life and a bibliography that offers a basis for further study

Summary and Analysis of Alexander Hamilton Worth Books,2016-11-29 So much to read so little time This brief overview of Alexander Hamilton tells you what you need to know before or after you read Ron Chernow s book Crafted and edited with care Worth Books set the standard for quality and give you the tools you need to be a well informed reader This short summary and analysis of Alexander Hamilton by Ron Chernow includes Historical context Chapter by chapter summaries Detailed timeline of key events Important quotes Fascinating trivia Glossary of terms Supporting material to enhance your understanding of the original work About Alexander Hamilton by Ron Chernow Ron Chernow s New York Times bestselling biography of Alexander Hamilton sets the record straight on the often misunderstood founding father Beginning with a thoroughly researched investigation of Hamilton s controversial origins the book takes an immersive look at the man who authored the Federalist Papers fought in the Revolutionary War crafted the nation s financial system and served as George Washington s right hand man before being killed in an infamous duel with Aaron Burr More than a portrait of one man Alexander Hamilton is the story of America s birth and the inspiration for Lin Manuel Miranda s Pulitzer Prize winning Broadway musical The summary and analysis in this ebook are intended to complement your reading experience and bring you closer to a great work of nonfiction

American Covenant Philip Gorski,2017-02-21 An authoritative account of the long battle between exclusionary and inclusive versions of the American story Was the United States founded as a Christian nation or a secular democracy Neither argues Philip Gorski in *American Covenant* What the founders actually envisioned was a prophetic republic that would weave together the ethical vision of the Hebrew prophets and the Western political heritage of civic republicanism In this ambitious book Gorski shows why this civil religious tradition is now in peril and with it the American experiment Gorski traces the historical development of prophetic republicanism from the Puritan era to the present day He provides close readings of thinkers such as John Winthrop Thomas Jefferson Frederick Douglass W E B Du Bois and Hannah Arendt along with insightful portraits of recent and contemporary religious and political leaders such as Jerry Falwell Pat Robertson Ronald Reagan George W Bush and Barack Obama Gorski shows how the founders original vision for America is threatened by an internecine struggle between two rival traditions religious nationalism and radical secularism Religious nationalism is a form of militaristic hyperpatriotism that imagines the United States as a divine instrument in the final showdown between good and evil Radical secularists fervently deny the positive contributions of the Judeo Christian tradition to the American project

and seek to remove all traces of religious expression from the public square Gorski offers an unsparing critique of both demonstrating how half a century of culture war has drowned out the quieter voices of the vital center American Covenant makes the compelling case that if we are to rebuild that vital center we must recover the civil religious tradition on which the republic was founded

The Many Faces of Alexander Hamilton Douglas Ambrose, Robert W. T. Martin, 2006-04-01 This anthology presents a variety of scholarly perspectives on the nation's most enigmatic Founding Father Revolutionary War officer co author of the Federalist Papers our first Treasury Secretary Thomas Jefferson's nemesis and victim of a fatal duel with Aaron Burr Alexander Hamilton's legacy is complex multifaceted and difficult to pin down On the one hand Hamilton was the quintessential Founding Father playing a central role in every key debate and event in the Revolutionary and Early Republic eras On the other hand he has received far less popular and scholarly attention than his brethren Was Hamilton a closet monarchist or a sincere republican A victim of partisan politics or one of its most active promoters A lackey for British interests or a foreign policy mastermind The Many Faces of Alexander Hamilton addresses these and other perennial questions Leading Hamilton scholars both historians and political scientists alike present fresh evidence and new sometimes competing interpretations of the man his thought and the legacy he has had on America and the world *TIME Alexander Hamilton* Editors of TIME, 2016-01-22 Long considered the forgotten founding father and primarily known for the duel with Aaron Burr that ended his life Alexander Hamilton has recently achieved a new level of fame because of the hit Broadway musical Hamilton inspired by the New York Times best selling biography by acclaimed historian Ron Chernow Now the editors of TIME present this special edition that celebrates Hamilton and his many accomplishments as one of the primary architects of the Constitution an aide and counsel to General George Washington and the first secretary of the Treasury as well as his intense long standing rivalry with Thomas Jefferson and how it affects our government to this day Also included in this fully illustrated edition are Six Things You Didn't Know About Alexander Hamilton an interview with Chernow the making of the Broadway musical why Hamilton's days on the 10 bill are numbered and much more TIME brings keen insight to the improbable life of the illegitimate son of a Caribbean merchant who would go on to help shape our nation lay the foundation for the modern economy and become the inspiration for a musical that is inspiring Americans to interpret history in an entirely new way

The Founding Fathers R. B. Bernstein, 2015-11-16 This concise and elegant contribution to the Very Short Introduction series reintroduces the history that shaped the founding fathers the history that they made and what history has made of them The book provides a context within which to explore the world of Washington Franklin Jefferson Adams and Hamilton as well as their complex and still controversial achievements and legacies

The Founding Fathers Reconsidered R. B. Bernstein, 2009-05-05 Here is a vividly written and compact overview of the brilliant flawed and quarrelsome group of lawyers politicians merchants military men and clergy known as the Founding Fathers who got as close to the ideal of the Platonic philosopher kings as American or world history has ever seen In The Founding Fathers

Reconsidered R B Bernstein reveals Washington Franklin Jefferson Adams Hamilton and the other founders not as shining demigods but as imperfect human beings people much like us who nevertheless achieved political greatness They emerge here as men who sought to transcend their intellectual world even as they were bound by its limits men who strove to lead the new nation even as they had to defer to the great body of the people and learn with them the possibilities and limitations of politics Bernstein deftly traces the dynamic forces that molded these men and their contemporaries as British colonists in North America and as intellectual citizens of the Atlantic civilization s Age of Enlightenment He analyzes the American Revolution the framing and adoption of state and federal constitutions and the key concepts and problems among them independence federalism equality slavery and the separation of church and state that both shaped and circumscribed the founders achievements as the United States sought its place in the world

Alexander Hamilton Writings Library Of America: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. Alexander Hamilton Writings Library Of America : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Alexander Hamilton Writings Library Of America : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
