And Then One Day Samantha Chase, 2020-01-28 Courtney Baker is ready to put small town life and the man she can't have behind her Years of secretly crushing on her best friend's older brother have led nowhere and she's finally ready to move on It would have been a great plan had she not drunkenly blurted out all her feelings and kissed him At least she'll be able to forget all about it when she leaves town in less than 48 hours It takes a lot to surprise Dean Jones but a kiss from the girl he's been secretly attracted to for years does just that All it takes is one kiss for him to realize he doesn't want to let her go But she's his sister's best friend and that's a line he knows he should never cross Never mind that she seems determined to leave their small town and him behind When a storm and a broken car stop Courtney from leaving town Dean sees perfect opportunity to get her out of his system But can one night ever be enough
