their souls away in the Cards of Tarot These cards have been passed down through the family of Princess Uno Borealis Too bad her lover is from her rival clan the Australis family When the ancient demon king is revived will our heroes stop him before he destroys the peaceful Dionne kingdom Or will the immortal saint return to stop her age old adversary Part 2 Doctor of Demons There are many secrets to be revealed Aysa Mihos the daughter of the evil Dr Mihos goes on a hunt to discover the truth about her father s mysterious past Along the way she digs up all sorts of family secrets hidden in the minds of the clan leaders The secrets cut deep and most would rather not remember But our heroes will stop at nothing to bring justice to the Dionne System and to stop the evil doctor of demons It won t be an easy road Dr Mihos has some tricks up his sleeve He can make a mechademon look like whomever he desires but what if he used that talent to create doppelgangers Will our heroes really know who to trust Part 3 Angelic World The Angelic World is filled with immortal celestial beings who have a range of missions inside heaven purgatory and between the mortal world Many centuries before the start of the series there was a great solar hero called Hercleo who helped the modern day Elemental Angels receive their powers There are many divisions and ranks of angels The highest division is Seraphim and the lowest division is Amoretto or cupids There are several divisions of demons as well including Fallen Angels Vampires and Hellions Discover the truth about the divisions of angels and demons along with Venus as she plummets into the Angelic World Part 4 Fallen Moon Angels Five hundred years have passed since the Lunars were frozen and sealed inside the Ice Dome Though they are called fallen angels they differ from the typical demon or angel The Lunars are a celestial race of being known for their beauty but also known to have a raging beast inside all of them Because they fell away from their creator they have been cursed Lunars have skin as white as the moonlight and transform into werewolf demons by the sight of it Good thing they ve been sealed away in the ice cavern for centuries But what if someone knew the secret of the Lunars and desired to free them When two scientists discover a way to revive the Lunar race they will stop at nothing to ensure the fallen moon angels take over Dionne Will Venus and her friends be strong enough to defeat the evil race before they dominate the galaxy

Abera, 2012-07 The book is about the Alpha and Omega God It is my testimony in regard to the existence and the will of the Deity creator for the entire creation activities I started to write about this supernatural and omnipotent God from the beginning which is unknown time I then proceeded in writing all the way to the time of eternity In the book I have talked and tried to prove the creatorship and rulership situation or condition of the Trinity God I have done this to make peoples of this world believe in existence of the almighty and the ubiquitous God who caused every thing seen and unseen to emerge and exist as they are found now

simple clear and compassionate answers are presented as a way of resolving trying issues and finding peace *Remarkable Healings* Shakuntala Modi,2025-09-12 Psychiatry remains an emerging discipline Many people suffer from ailments that have no apparent cause no obvious cure Quite by accident while using hypnotherapy Dr Modi discovered that pastlife regression can be a beneficial treatment Many of these patients under hypnosis claimed to have spirits attached to their bodies and energy fields creating psychological and physical problems Based on years of experience Dr Modi describes techniques that release these spirits revealing how patients can sometimes recover within a few sessions While most doctors would agree that emotional states affect our health few would give credence to spiritual influences In this truly groundbreaking book Dr Modi presents evidence that something beyond the physical affects the health of many people and urges medical scientists to objectively assess this revolutionary approach to mental and often physical illness Pioneers have the courage to put aside the status quo and evaluate what the evidence shows even if it defies the prevailing logic of the time Both physicians and the general public should explore the pioneering work of Dr Modiwork which no doubt has produced many remarkable healings
