SADHANA Who Stalked Her? Spandana Chakradhar,2019-02-01 Sadhana Who stalked her Sadhana goes to a new city to earn a living The young ingenious and intuitive girl works her finger to the bone to establish herself in a multinational company Just when her life is moving in the right direction unforeseen incidents crumble the ground beneath her Someone begins stalking her He scares her torments her and intoxicates her Who is he What does he want Swamped in fear and despair she curses her jinxed fate She gets more and more despondent each day Soon her dignity and her character are at stake While the Fast and Furious Abhinav teaches her self compassion and protects her image in the society The Suave and Chivalrous Manav gives her the confidence to fight through her adversities Displaying colossal courage and unflinching determination in solving her issues by herself Sadhana leaves no stone unturned to trace her unknown creepy stalker How long can she wait for a hero to save her How long can she suffer What does she need Or she needs to be her own hero
