Australia And The British Embrace The Demise Of The Imperial Ideal

C.P. Champion

Australia And The British Embrace The Demise Of The Imperial Ideal:

Australia And The British Embrace Stuart Ward, 2016-10-18 Until a generation ago Britishness lay at the heart of Australian political culture How and why did this fundamental idea lose its meaning for Australians and their political institutions The popular view is that the British ideal succumbed to a triumphant long thwarted Australian nationalism The reality is much more complex Having weighed the documentary evidence Stuart Ward vigorously argues that it was not Australia but the Mother Country that set the pace The critical move was the Macmillan Government's decision in the early 1960s to seek membership of the European Economic Community Thereafter the ties of imperial sentiment and the dictates of national self interest were essentially irreconcilable Australia's attachment to being British was profoundly shaken and the contours of Australian nationhood were irreversibly redrawn Australia and the British Embrace is an engrossing account of the unravelling of Britishness in Australian political life The consequences of that unravelling continue to dominate

Australian politics from multiculturalism to Aboriginal reconciliation engagement with Asia and above all the prospect of a republic **Canada and the End of Empire** Phillip Buckner, 2013-12-01 Sir John Seeley once wrote that the British Empire was acquired in a fit of absence of mind Whatever the truth of this comment it is certainly arguable that the Empire was dismantled in such a fit This collection deals with a neglected subject in post Confederation Canadian history the implications to Canada and Canadians of British decolonization and the end of empire Canada and the End of Empire looks at Canadian diplomatic relations with the United Kingdom and the United States the Suez crisis the changing economic relationship with Great Britain in the 1950s and 1960s the role of educational and cultural institutions in maintaining the British connection the royal tour of 1959 the decision to adopt a new flag in 1964 the efforts to find a formula for repatriating the constitution the Canadianization of the Royal Canadian Navy and the attitude of First Nations to the changed nature of the Anglo Canadian relationship Historians in Commonwealth countries tend to view the end of British rule from a nationalist perspective Canada and the End of Empire challenges this view and demonstrates the centrality of imperial history in Canadian historiography An important addition to the growing canon of empire studies and imperial history this book will be of interest to historians of the Commonwealth and to scholars and students interested in the relationship between colonialism and nationalism

Rediscovering the British World Phillip Alfred Buckner, R. Douglas Francis, 2005 Rediscovering the British World is one part of an ongoing attempt to approach British Imperial history from a different viewpoint placing the colonies of settlement at the centre Editors Phillip Buckner and Douglas Francis have included nineteen essays from expert scholars in the field which cover a broad range of cultural social and intellectual topics in British imperial history from the mid nineteenth to the mid twentieth century The essays focus on the history of Britain and the Empire with considerable emphasis on the self governing dominions of Canada South Africa Australia and New Zealand They attempt to show the centrality of the Empire in the history of the nations created by the British diaspora overseas while at the same time calling

into question the extent of the existence of a British World The goal is not to wax nostalgic but rather to re examine the complex phenomenon of this far reaching empire and to shed light on the ways in which it has shaped our world With contributions by James Belich Frank Bongiorno Bettina Bradbury Patrick H Brennan Phillip Buckner Elizabeth Elbourne R Douglas Francis Jeffrey Grey Catherine Hall John Lambert Douglas Lorimer David Lowe Stuart Macintyre Adele Perry Paul Pickering Satadru Sen R Scott Sheffield Paul Ward Stuart Ward Wendy Webster The Strange Demise of British Canada C.P. Champion,2010-05-01 Examining cases such as the introduction of the Maple Leaf to replace the Canadian Red Ensign and Union Jack as the national flag Champion shows that despite what he calls Canada s crisis of Britishness Pearson and his supporters unwittingly perpetuated a continuing Britishness because they and their ideals were the product of a British world Using a fascinating array of personal papers memoirs and contemporary sources this ground breaking study demonstrates the ongoing influence of Britishness in Canada and showcases the personalities and views of some of the country s most important political and cultural figures An important study that provides a better understanding of Canada The Strange Demise of British Canada also shows the lasting influence Britain has had on its former colonies across the globe

Caught on Screen James Findlay,2025-10-16 Caught on Screen traverses the history of convict representation for the first time Through archival research into their production and reception the book explores engaging case studies produced in Australia and internationally including the work of Douglas Sirk Alfred Hitchcock Peter Andrikidis and Jennifer Kent From innocent criminals to radical revolutionaries feisty feminists to manly pioneers egalitarian settlers to violent invaders it shows how the shape shifting convict emerged on screen as a potent historical symbol that intersected with and helped to direct major debates about nationalism the legacies of colonisation Indigenous dispossession and the origins and character of Australian society Provided by publisher **Unholy Fury** James Curran,2015-05-01 In the early 1970s two titans of Australian and American politics Prime Minister Gough Whitlam and President Richard Nixon clashed over the end of the Vietnam war and the shape of a new Asia A relationship that had endured the heights of the Cold War veered dangerously off course and seemed headed for destruction Never before or since has the alliance sunk to such depths Drawing on sensational new evidence from once top secret American and Australian records this book portrays the bitter clash between these two leaders and their competing visions of the world As the Nixon White House went increasingly on the defensive in early 1973 reeling from the lethal drip of the Watergate revelations the first Labor prime minister in twenty three years looked to redefine ANZUS and Australia s global stance It was a heady brew and not one the Americans were used to The result was a fractured alliance and an American president enraged seemingly hell bent on tearing apart the fabric of a treaty that had become the first principle of Australian foreign policy *Australian Security After 9/11* Derek McDougall,2020-07-24 Debates on security became more intense following the unanticipated end of the Cold War conflict and took on added force after the terrorist attacks on the US on September 11 2001 Generally viewed as a part of the wider West despite its

separation by enormous geographical distances from both Europe and the United States Australia is a regional power in its own right It has been an active and loyal member of the US led coalitions of the willing first in Afghanistan and then in Iraq The terrorist attacks in Bali one year after the attacks in the United States brought home to Australia the direct nature of the new global terrorist threats to its own security This volume brings together leading experts on international security and Australia s foreign and security policies in a critical examination of Australia s adaptations to the new security challenges It is the first in depth and comprehensive analysis of Australia s defence and security policies as well as the country s role in countering regional and global challenges to international security since the war on terrorism began **The British**

Commonwealth and Victory in the Second World War Iain E. Johnston-White,2016-12-28 This book is the first comprehensive study of the British Commonwealth in the Second World War Britain and its Dominions Canada Australia New Zealand and South Africa formed the most durable cooperative and interchangeable alliance of the war Iain E Johnston White looks in depth at how the Commonwealth war effort was financed the training of airmen for the air war the problems of seaborne supply and the battles fought in North Africa Fully one third of the British effort originated in the Dominions a contribution that was only possible through the symbiotic relationship that Britain maintained with its former settler colonies This cooperation was based upon a mutual self interest that was largely maintained throughout the war In this book Johnston White offers a fundamental reorientation in our understanding of British grand strategy in the Second World War **The**

Story of Australia Louise Johnson,Tanja Luckins,David Walker,2021-09-02 The Story of Australia provides a fresh engaging and comprehensive introduction to Australia s history and geography An island continent with distinct physical features Australia is home to the most enduring Indigenous cultures on the planet In the late eighteenth century newcomers from distant worlds brought great change Since that time Australia has been shaped by many peoples with competing visions of what the future might hold This new history of Australia integrates a rich body of scholarship from many disciplines drawing upon maps novels poetry art music diaries and letters government and scientific reports newspapers architecture and the land itself engaging with Australia in its historical geographical national and global contexts It pays particular attention to women and Indigenous Australians as well as exploring key themes including invasion colonisation land use urbanisation war migration suburbia and social movements for change Elegantly written readers will enjoy Australia s story from its origins to the present as the nation seeks to resolve tensions between Indigenous dispossession British tradition and multicultural diversity while finding its place in an Asian region and dealing with global challenges like climate change It is an ideal text for students academics and general readers with an interest in Australian history geography politics and culture **The**

Common Law of Intellectual Property Catherine Ng,Lionel Bently,Giuseppina D'Agostino,2010-08-25 This collection of essays was written in honour of David Vaver who recently retired as Professor of Intellectual Property and Information Technology Law and Director of the Oxford Intellectual Property Research Centre at the University of Oxford The essays written by some

of the world's leading academics practitioners and judges in the field of intellectual property law take as their starting point the common assumption that the patent copyright and trade mark laws within members of the common law family Australia Canada Israel Singapore South Africa the United Kingdom the United States and so on share some sort of common tradition The contributors examine in relation to particular topics the extent to which such a shared view of the field exists in the face of other forces that are producing divergence The essays discuss inter alia issues concerning court practices the medical treatment exception non obviousness and sufficiency in patent law originality and exceptions in copyright law unfair competition law and cross border goodwill and dilution in trade mark law

Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Australia And The British Embrace The Demise Of The Imperial Ideal full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Australia And The British Embrace The Demise Of The Imperial Ideal eBooks, including some popular titles.

FAQs About Australia And The British Embrace The Demise Of The Imperial Ideal Books

What is a Australia And The British Embrace The Demise Of The Imperial Ideal PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Australia And The British Embrace The Demise Of The Imperial Ideal PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Australia And The British Embrace The Demise Of The Imperial Ideal PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Australia And The British Embrace The Demise Of The Imperial Ideal PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Australia And The British Embrace The Demise Of The Imperial Ideal PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection,

editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
