Australian Politics and Government Jeremy Moon, Campbell Sharman, 2003-02-26 Table of contents The Cambridge Handbook of Social Sciences in Australia Ian McAllister, Steve Dowrick, Riaz Hassan, 2003-08-07 First published in 2003 The Cambridge Handbook of Social Sciences in Australia is a high quality reference on significant research in Australian social sciences The book is divided into three main sections covering the central areas of the social sciences economics political science and sociology Each section examines the significant research in the field placing it within the context of broader debates about the nature of the social sciences and the ways in which institutional changes have shaped how they are defined taught and researched **International Handbook of Public Management Reform** Shaun Goldfinch, Joe Wallis, 2009-01-01 This volume presents a compelling package for anyone interested in public sector reform It effectively combines a wide range of well researched reviews of national experiences with state of the art thematic chapters in key reform areas such as IT governance public sector leadership and accountability The result is a robust insightful and sometimes sobering series of accounts of the promises and pitfalls of efforts to reform the institutions and practices of public governance around the world A must read Paul t Hart Australian National University This major Handbook provides a state of the art study of the recent history and future development of international public management reform Through a careful cross country analysis spanning the last three decades this timely volume critically evaluates whether countries are converging towards a single public management model The book goes on to investigate unresolved issues surrounding leadership e government accountability and computer systems failure currently facing reformers Shaun Goldfinch and Joe Wallis have brought together a number of eminent scholars from across Europe Asia North America and Australasia to explore the role of economic ideas human resources and the state of public management reform in twelve countries Providing a broad global overview of public management and facilitating a greater understanding of the difficult issue of reform this book will find widespread appeal amongst academics and postgraduate students of public administration as well as practitioners in the field Australian Politics in the Twenty-First Century Stewart Jackson, Joff Lelliott, Shannon Brincat, Josephine Bourne, Nick Economou, 2022-09-02 Australian Politics in the Twenty First Century is an invaluable introduction to the Australian political system **Contesting Native Title** David Ritter, 2020-08-26 This book debunks in spectacular fashion some of the most treasured over inflated claims of the benefits of native title Professor Mick Dodson ANU Centre for Indigenous Studies David Ritter s fascinating account of the evolution of the native title system is elegant and incisive scholarly and sceptical above all unfailingly intelligent Professor Robert Manne La Trobe University An unsentimental richly informed account of a fascinating period in the history of Australia s relationships with its indigenous people From the Foreword by Chief Justice Robert French After the historic Mabo judgement in 1992 Aboriginal communities had high hopes of obtaining land rights around Australia What followed is a dramatic story of hard fought contests over land

resources money and power yielding many frustrations and mixed outcomes Based on extensive research enriched by intimate experience as a lawyer and negotiator David Ritter offers both an insider's perspective and a cool headed and broad ranging account of the native title system In lucid prose Ritter examines the contributions of the players that contested and adjudicated native title Aboriginal leaders and their communities multinational resource companies pastoralists courts and tribunals politicians and bureaucrats His account lays bare the conflicts compromises and conceits beneath the surface of the native title process

Political Parties in Transition? Ian Marsh, 2006 Australian politics have been dominated for nearly a century by two more or less continuous political groupings Labor and the Liberal National Coalition But in recent decades Australians have embraced a new range of issues gender the environment indigenous rights while party membership has collapsed

The Multilevel Politics of Trade Jorg Broschek, Patrica Goff, 2020-04-02 The Multilevel Politics of Trade presents a timely comparative analysis of eight federations plus the European Union to explore why some sub federal actors have become more active in trade politics in recent years As the contributing authors find there is considerable variation in the intensity and modes of sub federal participation This they attribute to three key factors the distinctive institutional features of federal systems the nature and scope of trade policy and trade agreements and the extent of social mobilization that accompanies a particular trade policy conversation As a whole The Multilevel Politics of Trade argues that sub federal actors interests jurisdictional political and economic are what motivate them to participate in trade debates However institutional configurations coupled with the influence of civil society actors political parties and others determine the nature and scope of that participation Informed by a deep knowledge of federal dynamics this volume provides extensive comparative analyses of all seven of the North American and European federations and represents a significant intervention into the study of both federalism and political economy

Decision and Deliberation David Clune, Gareth Griffith, 2006 This book is an authoritative history of the NSW Parliament from its establishment in 1856 to 2003 It gives comprehensive accounts of both the Legislative Assembly and the Legislative Council including analyses of their performance based on contrasting liberal and executive models of Parliament The history of the Parliament is contextualised by the changing political background in which it operated over 150 years It is enlivened by portraits of colourful Members such as WP Paddy Crick drunken brawler and master of Parliamentary procedure and accounts of incidents such as George Fuller's seven hour Government and the siege by trade unionists in 2003 On a broader level the book is a dissertation on the nature of State politics and Parliaments and on the theoretical study of parliamentary institutions A NSW Sesquicentenary of Responsible
