underpinnings of complicity liability With a section on the UK analysing points of current interest the book also has a large comparative section dealing with foreign jurisdictions and examines on the basis of a unified research grid how different legal systems treat core issues of participation in the context of criminal law This book is a valuable reference resource for those in the criminal justice community in the UK and abroad and for academics the judiciary and policy makers Leading Works in Criminal Law Chloë Kennedy,Lindsay Farmer,2023-08-11 This book analyses a selection of leading works in the criminal law to ask questions about how the modern discipline of criminal law has developed how it has been deployed in colonial and postcolonial contexts and how criminal law scholarship has engaged with traditionally marginalised perspectives such as feminism queer theory and anti carceral and abolitionist movements The works analysed range from Macaulay s Indian Penal Code 1837 to more recent textbooks and monographs on criminal law and their jurisdictional reach extends to India Canada Australia Malawi the UK and the USA The contributing authors include scholars activists and legal practitioners each of whom explores the intellectual development and geographical reach of Anglocriminal law via the work they analyse Across the collection the editors and contributors address the question of what it means to be a leading work in criminal law The book will be a valuable resource for students academics and researchers working in the area of criminal law

Self, Others and the State Arlie Loughnan,2019-12-12 Criminal responsibility is now central to criminal law but it is in need of re examination In the context of Australian criminal laws *Self Others and the State* reassesses the general assumptions made about the rise to prominence of criminal responsibility in the period since around the turn of the twentieth century It reconsiders the role of criminal responsibility in criminal law arguing that criminal responsibility is significant because it organises key sets of relations between self others and the state as relations of responsibility Detailed studies of decisive moments and developments since the turn of the twentieth century and original explorations of relations of responsibility expose the complexity and dynamism of criminal responsibility and reveal that it is the means by which matters of subjectivity relationality and power make themselves felt in the criminal law **Emotions in Late Modernity** Roger

Patulny,Alberto Bellocchi,Rebecca Olson,Sukhmani Khorana,Jordan McKenzie,Michelle Peterie,2019-01-31 This international collection discusses how the individualised reflexive late modern era has changed the way we experience and act on our emotions Divided into four sections that include studies ranging across multiple continents and centuries *Emotions in Late Modernity* does the following Demonstrates an increased awareness and experience of emotional complexity in late modernity by challenging the legal emotional rational divide positive negative concepts of emotional valence sociological philosophical psychological divisions around emotion morality and gender and traditional understandings of love and loneliness Reveals tension between collectivised and individualised privatised emotions in investigating emotional sharing and individualised responsibility for anger crimes in courtrooms and the generation of emotional energy and achievement emotions in classrooms Debates the increasing mediation of emotions by contrasting their historical mediation through texts

and bodies with contemporary digital mediation of emotions in classroom teaching collective mobilisations e.g. riots and film and documentary representations Demonstrates reflexive micro and macro management of emotions with examinations of the politics of fear around asylum seeking and religious subjects and collective commitment to climate change mitigation The first collection to investigate the changing nature of emotional experience in contemporary times Emotions in Late Modernity will appeal to students and researchers interested in fields such as sociology of emotions cultural studies political science and psychology Chapter 2 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
