Authentic Blackness Authentic Blackness:

Authentic Blackness/"real" Blackness Martin Japtok, Rafiki Jenkins, 2011 Authentic Blackness Real Blackness explores and explains the idea of authenticity of keeping it real as it relates to the multi faceted meanings of blackness in the United States and the world Including reflections on hip hop comedy literature intellectual history and autobiography the collection gives both a broad overview of and intervenes in the debates concerning blackness A comprehensive introductory essay outlines the history of the idea of authentic blackness while other chapters examine the contours of blackness in Canada and Jamaica the relationship between middle class status and real blackness the link between blackness and hip hop culture Dave Chappelle s comedy and the work of James Baldwin Countee Cullen Clarence Major and John Edgar Wideman as it comments on authenticity in relation to race *Authentic Blackness* J. Martin Favor, 1999 Analysis of four Harlem Renaissance texts that challenges our assumptions about the stability of racial identity and investigates the ways those assumptions shape how we have read literature by Black writers *That's the Joint!* Murray Forman, Mark Anthony Neal, 2004 Spanning 25 years of serious writing on hip hop by noted scholars and mainstream journalists this comprehensive anthology includes observations and critiques on groundbreaking hip hop recordings **Black Christology and the Quest for Authenticity** John H. McClendon III, 2019-05-03 Black Christology and the Quest for Authenticity A Philosophical Appraisal constitutes a philosophical inquiry on Black Theology and its attendant Black Christology Explicitly the philosophical examination of Black Theology conceptually maps its quest for establishing Black Christology as an authentic form within Christian theology This text critically expounds on the methodologies and arguments which guide how Black Theology specifically affirms Black Christology as the definitive paradigm for authentic Christianity Significantly the racialized character of Black Theology immediately sets this discourse within the context of philosophy of race Clearly the philosophy of race in terms of its substance and scope is continually expanding Notably the philosophy of religion in its conceptual association with the African American experience considerably enriches the content of the philosophy of race Therefore Black Christology and the Quest for Authenticity A Philosophical Appraisal stands as a unique contribution to philosophy of race Summarily while this book tackles the formidable problem of Christian theological subject matter nonetheless the reader must be aware that this is not a work executed methodologically in any theological manner inclusive of Christian theology Subsequently while the object of our investigation substantively remains theological in character the method of investigation is guided by philosophical inquiry which is based on secular principles Furthermore although most mainstream works in philosophy of religion along with theology neglect to exam African American theologians and philosophers the subject matter of Black Christology substantially facilitates in filling this intellectual void Posthuman Blackness and the Black Female Imagination Kristen Lillvis, 2017 Cover Half Title Title Copyright Contents Acknowledgments Introduction Chapter 1 Temporal Liminality in Toni Morrison s *Beloved* and A Mercy Chapter 2 Posthuman Solidarity in Sherley Anne Williams s *Dessa Rose* Chapter 3

To be Real Lanita Jacobs-Huey,2023 To Be Real Truth and Racial Authenticity in African American Standup Comedy examines Black standup comedy over the past decade as a stage for understanding why notions of racial authenticity in essence appeals to realness and real Blackness emerge as a cultural imperative in African American culture Ethnographic observations and interviews with Black comedians ground this telling providing a narrative arc of key historical moments in the new millennium Readers will understand how and why African American comics invoke realness to qualify nationalist 9 11 discourses and grapple with the racial entailments of the war overcome a sense of racial despair in the wake of Hurricane Katrina critique Michael Richards Kramer s notorious rant at The Laugh Factory and subsequent attempts to censor their use of the n word and reconcile the politics of a real in their own and other Black folks everyday lives Additionally readers will hear through audience murmurs hisses and boos how beliefs about racial authenticity are intensely class wrought and fraught Moreover they will appreciate how context remains ever critical to when and why African American comics and audiences lobby for and or lampoon jokes that differentiate the real from the fake or Black folks from so called niggahs Context and racial vulnerability are critical to understanding how and why allusions to racial authenticity persist in the African American comedic and cultural imagination She's Mad Real Oneka LaBennett,2011-07-25 Overwhelmingly Black teenage girls are negatively represented in national and global popular discourses either as being at risk for teenage pregnancy obesity or sexually transmitted diseases or as helpless victims of inner city poverty and violence Such popular representations are pervasive and often portray Black adolescents consumer and leisure culture as corruptive uncivilized and pathological In She s Mad Real Oneka LaBennett draws on over a decade of researching teenage West Indian girls in the Flatbush and Crown Heights sections of Brooklyn to argue that Black youth are in fact strategic consumers of popular culture and through this consumption they assert far more agency in defining race ethnicity and gender than academic and popular discourses tend to acknowledge Importantly LaBennett also studies West Indian girls consumer and leisure culture within public spaces in order to analyze how teens like China are marginalized and policed as they attempt to carve out places for themselves within New York s contested terrains **Black-Native Autobiographical Acts** Sarita Cannon,2021-06-10 In 2012 an exhibition at the National Museum of the American Indian entitled IndiVisible African Native American Lives in the Americas illuminated the experiences and history of a frequently overlooked multiracial group This book redresses that erasure and contributes to the growing body of scholarship about people of mixed African and Indigenous ancestry in the United States Yoking considerations of authenticity in Life Writing with questions of authenticity in relationship to mixed race subjectivity Cannon analyzes how Black Native Americans navigate narratives of racial and ethnic authenticity through a variety of autobiographical forms Through close readings of

scrapbooks by Sylvester Long Lance oral histories from Black Americans formerly enslaved by American Indians the music of Jimi Hendrix photographs of contemporary Black Indians and the performances of former Miss Navajo Radmilla Cody Cannon argues that people who straddle Black and Indigenous identities in the United States unsettle biological political and cultural metrics of racial authenticity The creative ways that Afro Native American people have negotiated questions of belonging authenticity and representation in the past 120 years testify to the empowering possibilities of expanding definitions of autobiography

Appropriating Blackness E. Patrick Johnson, 2003-08-13 A consideration of the performance of Blackness and race in general in relation to sexuality and critiques of authenticity

Black Mixed-Race Men Remi Joseph-Salisbury, 2018-08-06 This book offers a corrective to pathological and stereotypical representations of mixedness generally and Black mixed race men specifically By introducing the concept of post racial resilience the book shows that Black mixed race men are active and agentic as they resist the fragmentation and erasure of multiplicitous identities
