Authenticity Authenticity:

Authenticity in English Language Teaching Leo Will, 2018 Authenticity is one of the most rampant buzzwords in ELT English Language Teaching Many have weighed in on what authenticity should mean and on how it may be achieved The book at hand is an extensive analysis of authenticity as a term and as a concept within the academic field of ELT The research data comprises virtually all definitions and conceptualizations of authenticity in the international ELT literature However only a limited number of texts contributes to what can be called an explicit negotiation of authenticity A discourse analytical approach is taken to disentangle the hubbub of commentaries and to eventually extrapolate from it six distinct concepts which are attached to the term authenticity Michel Foucault's seminal theories are invoked affording additional insights into discourse dynamics and power structures among individuals and institutions in ELT *Searching for Authenticity* S. Gayle Baugh, Sherry E. Sullivan, 2015-05-01 Volume 2 of the Research in Careers series focuses on the search for authenticity in one's career Although there has been growing interest in the topic within the popular press relatively little academic research has been completed on authenticity and careers Researchers are still refining the concept of authenticity and are just beginning to investigate how it influences the enactment of careers in today's turbulent career landscape This volume offers the first organized effort on the topic This volume contains seven chapters which examine the search for authenticity derived from the Kaleidoscope Career Model Mainiero Sullivan 2006 Chapters 1 and 2 present a review of the literature and an in depth analysis of the construct of authenticity Chapter 1 offers a new lens to view career authenticity based on two dimensions of self awareness and adaptability Chapter 2 uses two case studies to define how individuals are authentic in their career Chapters 3 and 4 examine the authenticity of individuals in different career stages with Chapter 3 examining recent college graduates and Chapter 4 examining mid to late stage careerists Chapters 5 6 and 7 focus on the interplay between social interactions and career authenticity Chapter 5 offers a process model that traces how through negotiation a person's identities shape and are shaped by relationships with others leading to the enactment of an authentic career Chapter 6 explores how individuals remain authentic in their career while negotiating the conflicting expectations of multiple interest groups Chapter 7 examines the complex relationships among career authenticity political behaviors and strain *Being and Authenticity* Xunwu Chen, 2021-12-28 This book presents a creative approach to the problem of individual authenticity What is authenticity What are its necessary conditions How is an authentic self possible in society What are the relationships of authenticity morality and happiness The book examines a wide range of questions in Eastern and Western thought to which it gives novel answers **Authenticity & Tourism** Jillian M.
