THE AUTHORITY OF INTERNATIONAL LAW

Obedience, Respect, and Rebuttal

BAŞAK ÇALI

Authority International Law Obedience Rebuttal

Courtney Hillebrecht

Authority International Law Obedience Rebuttal:

The Authority of International Law Basak Çali, 2015-10-08 The question of the authority of international law over domestic authorities and the duties of state officials to international law are fundamental concerns in international legal theory and practice The Authority of International Law Obedience Respect and Rebuttal addresses these concerns by reframing the present accounts of authority in international law construing its authority as imposing three different layers of duties on domestic officials the duty to obey the duty to respect and the duty to rebut The book provides an original interpretation of this authority one that is not tied to prior state consent or domestic constitutional frameworks It offers a nuanced account arguing that whether or not international law is obeyed within any given situation depends on the type of duty it imposes on the state and that duty's normative force There is no strict framework in which international law always trumps domestic law or vice versa Instead al presents a realistic account of when international law has absolute authority and when it can afford a margin of appreciation to states The Authority of International Law contributes to existing debates by considering the gap between consent based jurisprudential theories of authority and self interest and identity based theories of compliance and by considering monism dualism and normative pluralism as theories for addressing authority competition between domestic legal orders and international law

The Authority of International Law Başak Cali, 2015 The question of the authority of international law over domestic authorities and the duties of state officials to international law are fundamental concerns in international legal theory and practice The Authority of International Law Obedience Respect and Rebuttal addresses these concerns by reframing the present accounts of authority in international law construing its authority as imposing three different layers of duties on domestic officials the duty to obey the duty to respect and the duty to rebut The book provides an original interpretation of this authority one that is not tied to prior state consent or domestic constitutional frameworks It offers a nuanced account arguing that whether or not international law is obeyed within any given situation depends on the type of duty it imposes on the state and that duty's normative force There is no strict framework in which international law always trumps domestic law or vice versa Instead Cali presents a realistic account of when international law has absolute authority and when it can afford a margin of appreciation to states The Authority of International Law contributes to existing debates by considering the gap between consent based jurisprudential theories of authority and self interest and identity based theories of compliance and by considering monism dualism and normative pluralism as theories for addressing authority competition between domestic legal orders and international law

The Authority of International Criminal Law Clare Frances Moran, 2023-09-07 Considers the legitimacy and authority of international law showing how it can be more than simply an exercise of power

International Law as a Belief System Jean d'Aspremont, 2018 Offers a new perspective on international law and international legal argumentation to what event is international law a belief system

Art, Aesthetics and International Justice Marina Aksenova, 2025-03-31 This book

demonstrates that art is implicit in the process of administration of international justice The diverse nature of recent global threats as well as an overwhelming pull towards isolationism and nationalism challenge the dominant deterrence paradigm of international governance created in the aftermath of the Second World War An alternative model is to focus on cooperation and not deterrence as a guiding operational principle This volume focuses on the theoretical component linking justice with aesthetics as well as on the practical manifestation of such connection evident inter alia in the rhetoric of international courts their architectural design and their commemorative practices expressed by the practice of symbolic reparations adopted by some of the courts The underlying premise of the book is that international justice requires new vocabulary and new approaches which can be derived from the study of aesthetics It is held that exploring the aesthetical dimension of international justice contributes to the discussion on the foundations of its authority and the grounds for compliance with it The work engages deeply with the theory of aesthetics developed by Immanuel Kant and Abhinavagupta a Kashmiri critic philosopher and scholar writing in the early eleventh century The book will be of interest to academics and researchers working in the areas of Legal Philosophy International Criminal Justice and International Law and International Relations

Saving the International Justice Regime Courtney Hillebrecht, 2021-09-30 While resistance to international courts is not new what is new or at least newly conceptualized is the politics of backlash against these institutions Saving the International Justice Regime Beyond Backlash against International Courts is at the forefront of this new conceptualization of backlash politics It brings together theories concepts and methods from the fields of international law international relations human rights and political science and case studies from around the globe to pose and answer three questions related to backlash against international courts What is backlash and what forms does it take Why do states and elites engage in backlash against international human rights and criminal courts What can stakeholders and supporters of international justice do to meet these contemporary challenges

Rethinking the Relationship between International, EU and National Law Lando Kirchmair, 2024-03-14 Provides new insights for solving conflicts between International EU and National Law by rethinking the relationship between the three

Expert Laws of War Anton O. Petrov, 2020-06-26 Over recent decades international humanitarian law has been shaped by the omnipresence of so called expert manuals Astute and engaging this discerning book provides a comprehensive account of these black letter rules and commentaries produced by private expert groups and demonstrates why the general acceptance of these expert manuals is largely unjustified The author innovatively links interdisciplinary insights to the needs of military lawyers in practice showing the pitfalls of relying on private manuals as arguable restatements and interpretations of the law as it is

Politics of International Human Rights Law Promotion in Western Europe Koldo Casla, 2019-06-19 This book offers a critical reinterpretation of Western European States programmatic support for International Human Rights Law IHRL since the 1970s It examines the systemic or structural constraints inherent to the international legal system and argues that order trumps justice in Western Europe s promotion of

international human rights norms The book shows that IHRL evolved as a result of a tension between two forces A European understanding of international society based on order the centrality of the State and a minimalist conception of human rights and a civil society and UN promoted mostly Western particularly European but broader conception of human rights based on justice As such human rights norms emerge and develop when some states idea of order meets with advocates idea of justice We are living a historical juncture of shifting tectonic plates with rising nationalism in the Global North ever growing power in the Global South and a declining presence of Europe in global affairs The conditions under which IHRL emerged have fundamentally changed and unpacking the factors beneath the international recognition of human rights has never been more pressing This book will be of key interest to scholars students and practitioners in human rights law public international law international relations critical legal theory and in European politics *The Law, Politics and Theory of Treaty Withdrawal* Frederick Cowell, 2023-11-16 This book explores how the law of treaty withdrawal operates Many commentators have observed a wider sense of crisis in international law as governments of different ideological stripes withdraw or threaten to withdraw from international organisations and treaties There are different political forces behind all of these cases but they all use the same basic device in international law a treaty withdrawal clause This book focuses on withdrawal clauses within multilateral treaties providing a detailed overview of their operation drawing on a range of case studies including Brexit nuclear weapons treaties and investment arbitration agreements The obligations a withdrawal clause places on a withdrawing state help regulate the withdrawal process providing a notional form of stability Using insights from international relations theory and legal theory this book unpacks how and why the law of withdrawal operates and what its limitations are

When somebody should go to the books stores, search inauguration by shop, shelf by shelf, it is in point of fact problematic. This is why we present the ebook compilations in this website. Authority International Law Obedience Rebuttal Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Authority International Law Obedience Rebuttal PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals

fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Authority International Law Obedience Rebuttal PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Authority International Law Obedience Rebuttal free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Authority International Law Obedience Rebuttal Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Authority International Law Obedience Rebuttal is one of the best book in our library for free trial. We provide copy of Authority International Law Obedience Rebuttal in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Authority International Law Obedience Rebuttal. Where to download Authority International Law Obedience Rebuttal online for free? Are you looking for Authority International Law Obedience Rebuttal PDF? This is definitely going to save you time and cash in something you should think about.
