Authors And Owners Authors And Owners:

Authors and Owners Mark Rose,1995-08-11 The notion of the author as the creator and therefore the first owner of a work is deeply rooted both in our economic system and in our concept of the individual But this concept of authorship is modern Mark Rose traces its formation in eighteenth century Britain and in the process highlights still current issues of intellectual property Federal Register ,2012-05 **Website Owner's Manual** Paul A. Boag,2009-10-31 Many of the people responsible for a website don t have a clue what s required to build one and keep it up and running The job of planning launching and managing a site often falls to people who have little or no experience in web design or development Website Owner s Manual is for the thousands of marketers IT managers project leaders and business owners who need to put a website in place and keep it running with a minimum of trouble Using clever illustrations easy to follow lists and diagrams and other friendly touches Website Owner s Manual helps readers form a vision for a site guides them through the process of selecting a web design agency and gives just enough background to help them make intelligent decisions throughout the development process This book provides a jargon free overview of web design including accessibility usability online marketing and web development techniques Using Website Owner s Manual readers master the vocabulary and concepts they need to discuss how a website dovetails with the needs of a business This book will help them work confidently with the designers and developers building and maintaining a site so they can concentrate on what your website needs to do Purchase of the print book comes with an offer of a free PDF ePub and Kindle eBook from Manning Also available is all code from the book Business Basics for Musicians Bobby Borg,2020-01-07 Today when artists are empowered to take greater control of their careers and earnings the need for musicians to understand the business of music has never been greater In a digital age overflowing with confusing and ever changing information musicians need trusted business advice from a veteran artist who can break down the basics in language they understand Written by a professional musician for other musicians Business Basics for Musicians is the laypersons guide to the music industry In this must have manual music industry veteran Bobby Borg presents vital info in a conversational tone and an easy to scan format regarding five vital areas that musicians need to succeed Career Execution Business Relationships Pro Teams Deals and Dollars and Future Predictions Everything from copyrights to record deals to managers to merchandising to doing it yourself is covered With pro interviews anecdotes and review quizzes Business Basics for Musicians is the complete handbook from start to success Updates for this edition Changes in copyright laws Summary of the Music Modernization Act Updates on record merch publishing and live performance deals New trends in sponsorships and partnerships with product brands New interviews with industry professionals including managers producers and agents New stories paralleling current events and industry happenings Updated business resources industry contacts and URLs **Catalog of Copyright Entries** Library of Congress.
