A Shower of Shite James McGrath,2024-08-16 *A Shower of Shite* offers a gripping biographical narrative that charts the tumultuous journey of two parents as they navigate through a relentless storm of trials brought upon by their children Their story akin to the dramatic arcs of a British soap opera unfolds with tragic twists and turns an unceasing cascade of events that would seem overdrawn if not for their stark reality These challenges though uninvited and not of their own making are met with a resilience that speaks to the profound sense of duty and unwavering compassion inherent in parental love It s a testament to the silent oath etched in the very fabric of biological bonds a commitment to defend sometimes even the indefensible against the odds all told with a humourous look back at life events faced by the family

An Asperger Journey Scott Verbout,2011-02-24 Within a span of two months in late 2006 and

early 2007 Scott Verbout learned he had a mental disability and then lost his job of more than fifteen years. After going through that traumatic experience which he partially attributes to his condition and the failure of others to understand it, Scott began the process of writing about his experiences. Ultimately his research became the basis for *An Asperger Journey*. As Scott researched his condition, he found a wealth of information for children who have Asperger's syndrome but not much similar guidance available for adults. To give the full picture, Scott asked his wife and daughter for their contributions as they have lived with him and have had to deal most intimately with the effects of the disorder. He wanted to share his experiences with others who have Asperger's as well as with their family and friends. By sharing his journey of discovery as an adult with a lifelong mental disability, Scott hopes to help others who may have had similar experiences. *The Philosophy of Autism* Jami L. Anderson, Simon Cushing, 2012-11-16. This book examines autism from the tradition of analytic philosophy, working from the premise that Autism Spectrum Disorders raise interesting philosophical questions that need to be and can be addressed in a manner that is clear, jargon-free, and accessible. The goal of the original essays in this book is to provide a philosophically rich analysis of issues raised by autism and to afford dignity and respect to those impacted by autism by placing it at the center of the discussion. **Love in the Age of Autism** Gayle DeLong, Jonathan Rose, Jennifer Rose, 2025-06-10. Gayle DeLong was a well-known activist in the autism community, the Warrior Mom of two autistic daughters. She worked closely with Robert F. Kennedy Jr. on vaccine injury issues. This book is a record based largely on her diaries of her happy marriage to Jonathan Rose. *Love in the Age of Autism* does not sugarcoat the stresses and heartbreak of raising autistic children; it is more honest about that than most other books on the subject. But it is also an inspiring love story which can help autism parents find profound joys in spite of all the pains. It offers practical advice and models for sharing the burdens and pleasures of life based on a strong sense of family values. This book, frankly and with an earthy sense of humor, illustrates how autism parents can continue to enjoy passionate monogamous physical love and it explains how to provide sex education for autistic girls. The tale that Gayle and Jonathan tell is intensely romantic and life-affirming. *Harlequin Love Inspired March 2020 - Box Set 1 of 2* Patricia Davids, Tina Radcliffe, Stephanie Dees, 2020-03-01. *Love Inspired* brings you three new titles. Enjoy these uplifting contemporary romances of faith, forgiveness, and hope. **THE AMISH TEACHER'S DILEMMA** North Country Amish by Patricia Davids. Taking a schoolteacher position in another district was just the change Amish spinster Eva Coblentz needed. But with her family insisting she come home just as she falls for three troubled orphans and their guardian uncle Willis Gingrich, will she return to her old life or risk everything to build a new one? **FINDING THE ROAD HOME** Hearts of Oklahoma by Tina Radcliffe. With potential budget cuts looming, police chief Mitch Rainbolt may have to let his latest hire go unless he and officer Daisy Anderson can prove that their department deserves the money. Can they save her job and ensure Daisy and her orphaned nieces and nephews stay in town for good? **THE COWBOY'S UNEXPECTED BABY** Triple Creek Cowboys by Stephanie Dees.
